

## Spy Trap Of FBI Set Two Months Ago For Philadelphia Chemist

By OLIVER W. De WOLF  
WASHINGTON—(AP)—Senator McMahon (D-Conn.) said today the FBI set its trap at least two months ago for Philadelphia biochemist Harry Gold, who is being held on charges of aiding atomic spy Klaus Fuchs.

This disclosure by McMahon, chairman of the Senate-House atomic energy committee, came on the heels of information that the Federal Bureau of Investigation sifted through a list of 1,200 suspects before it finally ran Gold down.

**Soviets Get Secrets**  
The 39-year-old Philadelphia chemist was arrested Tuesday night and accused of receiving secret information about U. S. atomic developments from Fuchs and passing it on to the Russians.

Fuchs is the German-born atomic scientist who recently was sentenced to a 14-year prison term by a British court after his conviction on charges that he stole British and American atomic secrets for the Soviet Union.

Officials said last night that when the FBI stated its hunt for the middleman in the case it had to work from a list of 1,200 suspects with whom the British sci-

entist might have had contact. The trail led to Gold after the list was narrowed down to a group of chemists in the New York-Philadelphia area.

The trap finally was sprung, officials said, after Fuchs (A) told agents in England that his contact was a biological chemist—whose name he did not recall—and (B) identified Gold's picture as that of the man to whom he had passed information.

FBI agents were reported to have produced evidence that Gold had met Fuchs in Santa Fe, N. M., in 1945. At that time Fuchs was associated with the atomic bomb project at Los Alamos, N. M., and held in high regard.

**Third Man Hinted**  
There was some speculation on Capitol Hill that the third man in the espionage triangle—the one who got the secrets Gold is charged with receiving—was a member of the Russian embassy staff here. This person, referred to in official documents as "John Doe," is believed to be in the Soviet Union now.

Gold was charged with committing espionage during wartime, an offense which is punishable by death or up to 30 years in prison. After a quick arraignment in Philadelphia he was hurried off to prison in lieu of a \$100,000 bond.

## Treasure Chest Denied In Tokyo

TOKYO—(AP)—General MacArthur's chief of staff flatly denied today that his boss has an original treasure chest.

Maj. Gen. E. M. Almond issued one of his rare statements after studying Washington reports that MacArthur holds a key to a chest full of gold and jewels.

Almond said there is no similarity between occupation headquarters' holdings of impounded property and the reported chest. Almond did not report how much headquarters holds, and no other source ever has announced it.

Earlier, lacking official comment, it was assumed the "chest" report was based on impounded property in the Bank of Japan.

## State Will Go In Red \$35,000,000 For Year, Gov. Williams Claims

MT. PLEASANT, Mich.—(AP)—Gov. Williams says the state will run \$35,000,000 in the red in the next fiscal year.

In a speech here yesterday to Democratic leaders from Isabella and Clare counties, the governor said the Republicans would be to blame for the deficit.

The budget enacted by the Republican-controlled legislature, he said, was not an economy budget.

"When all deficit appropriations are made," Williams said, "the state will go at least \$35,000,000 in the red."

GOP legislators, the governor asserted, "rammed through a budget measure before the people knew what it was all about."

## Schools Get Turkey

JACKSON — (AP) — Turkey is on Jackson county school menus for the first time. The delicacy is supplied to schools operating hot lunch projects by the Surplus commodities program. The turkeys, frozen in a Kalamazoo cold storage plant, are distributed to eight schools.

## Quints Learn To Drive

CALLANDER, Ont.—(AP)—The Dionne quintuplets will turn 16 Sunday and to the five girls it means something extra special: Their father, Oliva Dionne, has promised to teach them to drive. The birthday party will feature one cake with 16 candles.

## Weather

Reported by U. S. Weather Bureau

UPPER MICHIGAN: Partly cloudy and cooler tonight, Friday generally fair, warmer over the extreme northwest portion in the afternoon.

ESCANABA AND VICINITY: Partly cloudy and cooler tonight, wind northeast around 10 mph. Friday fair with little change in temperature, wind north to northeast 20 to 25 mph. High 61° Low 43°.

Past 24 Hours	High	Low
ESCANABA	63°	51°
High Past 24 Hours		

Alpena	65	Lansing	83
Battle Creek	85	Marquette	79

FATHER OF YEAR — Supreme Court Justice William O. Douglas (above) was named "Father of the Year" today.

The national Father's day committee said Douglas was selected because he was considered "the most colorful and outstanding personality in public life today who by his thoughts and acts exemplifies the committee's 1950 theme, 'for a safe world tomorrow, teach democracy today'."

Father's Day is June 18.

Other 1950 "Father of the Year" titles:

Sidney Blackmer, stage.

Jean Hersholt, radio.

Robert Young, screen.

Gladys Swarthout and Frank Chapman were judged the "outstanding husband and wife team of 1950."

Kay Kyser was named "television father of the year" and Jackie Robinson, "Sports father of the year."

## Big 3 Will Supply Arms To Middle East Nations

### State Treasurer Tells How Attorney General Spreads Political Pap

LANSING—(AP)—State treasurer D. Hale Brake charged today the state had to pay \$9,326 to get title to \$68,000 it already possessed because Attorney General Stephen J. Roth was dishing out "political pap."

Brake, a Republican, ripped into Roth, a Democrat, for paying \$6,835.79 plus expenses to two special assistant attorneys general for what he said were "routine services."

**Title Not Contested**

The two special assistants named were Lloyd D. Parr of Lansing and Herbert N. Neuman, of Jackson. They were employed, Brake said to handle the escheating to the state of \$68,000 in unclaimed consumers Power company deposits.

Brake said Consumers Power already had turned the money over to the state and that all the Attorney General had to do was conduct a "routine legal process" to establish title. No one con-

tested the state's claim to it, Brake said.

In a letter of protest to Roth, Brake said "we are charged \$404.95 for 5,399.4 miles of travel at 7½ cents a mile. We are informed that your special assistants visited the sheriffs in each of the 83 counties of this state. A party goodwill tour to all of the sheriffs of the state was undoubtedly pleasant, but the U. S. government still runs a postal service and since there was nothing for each sheriff to do except post a notice on the courthouse bulletin board, a few cents of postage would have served this entire purpose admirably and would likewise have made unnecessary \$110.25 for food and shelter, \$3.00 for car storage and \$19.81 for boats and ferries. We call your attention to the fact that state employees are entitled to six cents per mile for driving their cars and no more."

**Wife Makes \$1,000**

Brake, chairman of the board of escheats, said Parr hired his wife to make stencils of the escheat notices at \$5.38 each although a local firm does that work for the state at \$1.50 each. Mrs. Parr, Brake said, received \$1,000 for making 186 stencils.

The rates paid for mimeograph paper, Brake said, were double what the state stationery store charges other state agencies.

"We have in mind," Brake said, "that all of this money, which is not used for expenses, goes into the primary school fund, and the schools need it."

## Halt Pollution, 8 Down-State Cities Ordered

Eight Michigan cities today were ordered by the Michigan Water Resources Commission, meeting in Escanaba, to take steps and make plans to abate pollution in accordance with plans approved by the state commissioner of health.

All of the communities have had prior notice and hearing before the commission and the orders issued today are final, said Dr. Albert E. Heustis, chairman.

Cited for failure to control pollution and given final orders by the commission were the following communities:

**Get Final Order**  
City of West Branch, pollution of the West Branch of the Rifle river by untreated sewage, with plans for correction to be submitted by Sept. 1, 1950.

Village of Elk Rapids, pollution of Elk Lake and outlets to Grand Traverse Bay with untreated sewage, with plans for correction to be submitted not later than Jan. 1, 1951.

Conway, Little Traverse township, Emmett county, pollution of

## Strike Ties Up Atomic Plant

OAK RIDGE, Tenn.—(AP)—A mammoth atomic plant construction project was shut down completely today by a wildcat walk-out of AFL workers.

The strike, which members of the Laborers and Hodcarriers Union began yesterday without warning, spread to all other crafts working on the project, the atomic energy commission reported.

"The project is completely shut down," said an AEC spokesman. "We haven't been informed by the union or anybody else as to what the walkout is all about."

The strike came a day after an arbitration board had ended a hearing on a wage dispute involving the Laborers and Hodcarriers' Union.

The radio-television network yesterday announced the purchase of 15 acres, including the property now occupied by 18,500-seat Gilmore Stadium, at Fairfax and Beverly blvds. The property—covering three blocks—is southwest of Radio Center on Sunset Boulevard.

**Maine Forest Fire Sweeps 2,500 Acres**  
AUGUSTA, Me.—(AP)—Fresh men with additional equipment tackled today the job of stopping a forest fire that has swept nearly 2,500 acres of wildland in Hancock and Penobscot counties.

The blaze, burning since Tuesday, is the largest of more than 60 that have broken out in Maine since last Saturday.

No buildings were burned and there are none in the path of the fire.

## Man And Wife Shot, Both Live

FORT LAUDERDALE—(AP)—A Pennsylvania coal mine operator and his wife were in Broadward General hospital today, both shot twice in the abdomen with the same weapon.

Police Lt. J. Lester Holt identified them as Pearson B. Brown, 57-year-old retired army colonel, and his wife, Blannie, 51. The Browns are part owners of a coal mine at Somerset, Pa.

The hospital listed Brown's condition as satisfactory early today. Mrs. Brown's condition was described as fair.

Holt said notes in Mrs. Brown's handwriting indicated she planned the shooting.

He said Brown was shot twice in the abdomen but dragged himself to the telephone and dialed police. As he did so, Holt continued, Mrs. Brown went into the kitchen and shot herself twice with the .32 caliber pistol.

The notes gave instructions for disposal of their house and furnishings and care of the pet dog. They also asked that relatives in Georgia and Washington, D. C., be notified.

Holt said both were shot at point blank range and the slugs passed through their bodies.

**Talent Scout Swindle Bared In Los Angeles**

LOS ANGELES—(AP)—Accused of swindling hundreds of men and women of from \$50 to \$100 apiece, 17 persons were indicted by a federal grand jury after its investigation of television "talent" schools.

Assistant U. S. Atty. Ray Kinnison said yesterday the defendants picked names from telephone books and advised people that TV talent scouts had spotted them. They are charged with mail fraud.

cracks down with criminal prosecutions.

Under present government regulations, tax evaders—under certain circumstances—can avoid fines and imprisonment by confessing their tax sins and paying up.

But the committee decided to write the "amnesty" provision into law, so that the evaders would have legal protection against prosecution when they voluntarily disclose that they have not reported their full tax obligation.

Rep. Ford (D-R.) predicted this would bring in millions of elusive tax dollars.

ATOM SPY SUSPECT NABBED—Accompanied by FBI agents, Harry Gold (right, foreground) leaves court in Philadelphia after arraignment on charges of atomic espionage in connection with the Dr. Klaus Fuchs case. Bail was set at \$100,000. FBI Director J. Edgar Hoover, in Washington, said Gold, 39, admitted contacts with the British physicist and gave a detailed account of his activities. (NEA Telephoto)

## Washington Shakeup Boosts Powers Of Commerce Secretary

By STERLING F. GREEN

WASHINGTON—(AP)—President Truman's new shakeup of the government is carrying the department of commerce to the highest peak of prestige and power it has enjoyed in its 47-year history.

Secretary Charles Sawyer yesterday became supervising boss of the nation's maritime affairs and, if Congress assents to another reorganization plan now pending, will take charge in July of the multi-million dollar lending operations of the Reconstruction Finance corporation.

**Rise Spectacular**  
When and if that happens, the dapper, graying lawyer from Cincinnati—who walked into a sprawling \$300,000,000-a-year col-

lection of bureaus two years ago this month—will be presiding over a \$2,000,000,000 agency with vast responsibility to see that industry and government get along.

Sawyer's rise, his subordinates recall, is the more spectacular because he took the job almost on a "lame duck" basis. It was in May, 1948, when most politicians thought Harry Truman was washed up. His appointments were virtually going begging.

Sawyer left a law practice in Cincinnati to take the government post. He is a former lieutenant governor of Ohio, a one-time Cincinnati councilman, and a former ambassador to Belgium and minister to Luxembourg. He is a minority owner of the Cincinnati Reds baseball team and owns the Lancaster (Ohio) Eagle-Gazette. He has been a director of several corporations but dropped most of his business connections on taking the cabinet job.

**Control Centralized**  
The secretary is publishing today his orders setting in motion the three new, three-member federal maritime board and creating in his department a maritime administration.

The instructions to the board, which replaces the old, independent maritime commission, reserved to Sawyer himself the top policy powers in seeing that the United States keeps a healthy merchant marine afloat by subsidy, ship sales, vessel charters, and trade route determination.

The move was a long step toward an obvious but undeclared goal of the president: To make the commerce department the government's policy control center for air, rail, sea and highway transportation.

**Three Kansas City Gamblers Indicted For Income Tax Fraud**

KANSAS CITY—(AP)—A federal grand jury today indicted three more henchmen of the late Charles Binaggio on income tax evasion charges.

Those indicted were Walter L. Rainey, a gambler, Samuel Goldberg, and John Mangiaracina.

Last Monday the grand jury returned income tax evasion indictments against Samuel C. Hayden, former assistant Jackson county prosecutor, and Tano Lococo, known as an enforcer for the Kansas City underworld. Hayden was a former member of the state legislature. In an interim report, the jury charged he was interested in a \$34,000,000 a year gambling organization in the county.

**Airliner Rams Into Colombia Volcano; 25 Persons Perish**

BOGOTA, Colombia—(AP)—A Lanza Airways DC-3 transport crashed against the side of a volcano last night, killing 22 passengers and three crewmen, the line announced today. A ten-year-old girl was the only survivor.

The newspaper El Espectador said witnesses saw the plane explode in the air and crash into the side of Galeras volcano near Pasto, 95 miles south of Popayan.

**Noose Fails, Uses Gun**

HILLMAN—(AP)—Montgomery county authorities said that Lee Judge, 57, tried to hang himself from a rafter in his lonely cabin. When he failed at this, he reported, Judge shot himself to death with a revolver. His body, a bullet wound in the head, was found lying beneath a noose dangling from the rafter.

## Arab Countries And Israel Get War Materials

Egypt And Jordan Pledged To Peace

WASHINGTON—(AP)—The United States, Britain and France today announced a joint agreement to supply arms to the Middle East—for defense alone. President Truman hailed it as a move to stimulate "increased confidence in future security" in that area.

The president expressed this view in a statement commenting on the three-power accord reached at London during the foreign ministers conference early this month.

**Differences Dissolved**  
Under the agreement, arms can be sent to both the Arab nations and Israel if they give assurances they will not use the military equipment "to undertake any act of aggression against another state."

The agreement marked an end to long-standing differences among the Western Powers over the question of providing weapons to the forces recently engaged in bitter fighting over the partition of Palestine.

The announcement of the accord was made simultaneously in London, Paris and Washington.

The Big-Three foreign ministers in their joint statement said the three governments recognized that the Arab states and Israel "need to maintain a certain level of armed forces for the purpose of insuring their internal security, their self defense and to permit them to play their due part in the defense of the whole area."

**Aggression Barred**  
The announcement said that Middle Eastern countries now receiving arms from the three powers already have given assurances the weapons would not be used for acts of aggression.

This would indicate that Egypt and Hashemite Jordan, two of the Arab countries which fought against Israel over Palestine par-

(Continued on page 6)

**Angler Who Tangled With Warden Free On Bond At Marquette**

MARQUETTE, Mich.—(AP)—Eino Wanska, 41-year-old Marquette insurance agent, is free on \$5,000 bond awaiting circuit court appearance next month on a charge of assaulting a Michigan conservation officer.

He waived preliminary examination on the charge yesterday in municipal court, where earlier he had demanded a hearing and which had been set for tomorrow.

Wanska is alleged to have attacked conservation officer Arthur Savilovito, 31, Ishpeming, as the latter attempted to apprehend him for a fishing violation May 13 in the Carp River south of Marquette.

**River Too Noisy**

SAGINAW—(AP)—Things will be quieter on the Saginaw River if a new anti-noise ordinance goes into effect. Harkening to complaints of citizens, officials proposed that all marine engines be "equipped at all times with a muffler" except during an announced race.

**News Highlights**

**CONVENTION**—Upper Peninsula Association of Insurance Agents will meet here Friday and Saturday, Page 2.

# Insurance Agents Meet Here Friday And Saturday

## Local Offices To Be Closed

Registration Opens  
At 10 a. m. Tomorrow

The 24th annual convention of the Upper Peninsula Association of Insurance Agents will be held in Escanaba on Friday and Saturday. About one hundred are expected to attend the two-day meeting.

Escanaba insurance offices will be closed on Saturday for the convention.

Registration will be at the Escanaba Chamber of Commerce office, beginning at 10 a. m. Friday.

The Friday noon luncheon will be held at the Delta hotel, with Arthur Goulet, president of the Escanaba Insurance Agents association, presiding. Addresses of welcome will be given by Mayor Peter Logan and Briton W. Hall, Escanaba, president of the Upper Peninsula Association of Insurance Agents. Len J. McVoy, Grand Rapids, state association president, will talk on "Our Trade Organization," while N. Edward Bartlett of Baltimore, department manager of the Maryland Casualty company, will speak on "Forgery and Bonds."

A business session will be held at the Delta hotel at 2:30 Friday afternoon. The program will feature a panel discussion on "Actual Errors Discovers by Fire and Casualty Insurance Surveys." The moderator will be S. W. Schellenger, superintendent of agencies The Buckeye Union Casualty company, Columbus, Ohio. He will be the moderator, and Lewis N. Empson and Robert Hupy of Gladstone and O. V. Thatcher of Escanaba will be the panel members.

During the open discussion and question period, the following will participate: Russell A. Bradley, Ann Arbor; Howard W. Huttenlocher, Pontiac; Leon J. McVoy, Grand Rapids; Briton W. Hall, Escanaba; John P. Old Jr., Sault Ste. Marie and W. O. Hildebrand, Lansing. The latter is secretary-manager of the state association.

## Hildebrand To Address Insurance Agents Here

W. O. Hildebrand of Lansing, secretary-manager of the Michigan Association of Insurance Agents, will be one of the principal speakers at the 24th annual convention of the Upper Peninsula Association of Insurance Agents to be held in Escanaba Friday and Saturday.

Besides giving his scheduled talk, Hildebrand will bring a message from David A. Forbes, state insurance commissioner, who will be unable to attend the meeting. Hildebrand's topic will be: "The Michigan Department of Insurance and the Industry Organization."

He is a brother of W. H. Hildebrand of the Mead corporation, Escanaba.

Hildebrand was engaged as an insurance agent for five years in Ann Arbor and was also state agent in Michigan for the "Loyalty Group" of insurance companies for five years. He has been secretary-manager of the state association for 11 years, with headquarters in Lansing.

His work includes legislation both in Lansing and Washington, insurance education, public service and industry service.

Hildebrand received his education from the University of Michigan. His father was the pastor of a Methodist church in Calumet from 1923 to 1926. Accompanying Hildebrand to the Escanaba meeting will be: Leonard J. McVoy, Grand Rapids, president of the Michigan Association of Insurance Agents; Russell A. Brad-

brand, Lansing. The latter is secretary-manager of the state association.

An office personnel clinic will be held at the Sherman hotel Saturday morning. Arthur Goulet will preside, and speakers will include: Carl L. Strong, insurance education coordinator, Michigan State College, and John Ste. Marie, MSC department of journalism.

The Saturday luncheon meeting will be held at the Delta hotel, with O. V. Thatcher presiding. "Insurance Trends" will be the subject of a talk by A. Lynn Minzey, Lansing, Auto-Owners Insurance company. Election of officers will be held and the next meeting place will be chosen. Wives of the agents will attend a luncheon at the Escanaba Golf club.

William O. Hildebrand, Lansing, secretary-manager of the state association, will be the principal speaker at the banquet to be held at the Sherman hotel 6:30 Saturday evening. Mr. Hall will preside. The entertainment program will include: stories by Bob Pryal and singing by a barber shop quartet.

## Sell Tickets For Banquet

Outdoors Writers' Event On Sunday

Rev. Karl J. Hammar, long active in the Wolverine Conservation club, has been appointed chairman of the ticket selling committee for the outdoor writers banquet to be held at the House of Ludington at 6:30 Sunday evening.

Other members of the committee are: Gust Asp, Ralph O'Laughlin, John Fawcett, Claude Tobin, Jr., Escanaba Chamber of Commerce; Roy G. Olson, George Young; Frank Beaudry, Ford River; Harry Buchman, Rapid River; Gladstone Chamber of Commerce, and Roland Hale, Gladstone.

About seventy-five outdoors writers from Michigan, Ohio, Illinois and Wisconsin will attend the three-day convention, which will open on Saturday. Delta county fishermen, resort operators and other business and profes-

sional men are invited to attend Sunday evening's dinner and get acquainted with the newspaper and magazine writers and photographers. About two hundred are expected to attend the banquet.

Speakers will include: P. J. Hoffmaster, director of conservation; Frederick Alger Jr., secretary of state; Dr. Albert E. Heustis, state health commissioner; and various writers.

## Governor Faces Busy Weekend

LANSING—(P)—Governor Williams has four Memorial Day weekend appearances scheduled.

At 2:30 p. m. Sunday, he will address Memorial services of the famed Red Arrow Division at the National Memorial Gardens at Detroit.

Monday, he will fly to Escanaba for a meeting of the Michigan Outdoor Writers' Association.

Tuesday morning, the governor will review and speak at the Allied Veterans Council's Memorial Day parade in Dearborn and Tuesday afternoon he will ride in and review Detroit's Memorial Day parade.

## Dr. Kellogg Receives Agriculture Awards; Kettunen Honored

WASHINGTON—(P)—Dr. Charles E. Kellogg, a native of Ionia, Mich., today received one of our distinguished service awards presented annually by the department of agriculture.

Dr. Kellogg is head of the division of soil survey in the department's bureau of plant industry, soils and agricultural engineering at Beltsville, Md.

His award was for "outstanding leadership in the field of soil science; for unique effectiveness in interpreting soil uses to better serve human welfare, and for outstanding contributions to public understanding of world food production potentials."

He has worked for the department since 1934.

One employee of the department in Michigan and one Michigan native who works in another state received superior service awards. They were: Arne Gerald Kettunen of East Lansing, Mich., State 4-H Club leader in Michigan for 24 years, for "building one of the nation's most effective 4-H club programs."

Robert G. Benedict, a native of Ionia county, Mich., now employed at the northern regional research laboratory, Peoria, Ill., for antibiotic, polynyxin.

The continent of Antarctica is nearer to South America than to either Australia or Africa.

## DELFT THEATRE - ESCANABA

WINNER OF  
3 ACADEMY AWARDS!

**WINS HIGH SCHOOL PHOTOGRAPHIC AWARD**—This picture, "Let's Get This Over With," taken by Dick Wiles, 1318 Ludington street, Escanaba, a student at Escanaba high school, has just been awarded a \$5 honorable mention prize in the \$3,500 Fifth Annual National High School Photographic Awards sponsored by the Eastman Kodak company. Judges

in this year's competition were C. K. Eaton, director, department of photography, Art Center School, Los Angeles; Dr. Joseph M. Murphy, director, Columbia University Scholastic Press association; and K. W. Williams, manager, photographic illustrations division, Eastman Kodak company.

## Aviation Progress Day Here June 1

Thursday, June 1 has been designated as Aviation Progress Day in Escanaba in commemoration of the first federally certificated commercial air flight in the city and in dedication of the improved Escanaba airport.

Dr. Vernon Johnson has been appointed general chairman of the celebration. Other committee appointments will be announced in the next few days.

On June 1 Wisconsin Central Airlines will inaugurate daily flight service at Escanaba from Chicago. Wednesday evening, May 31, a banquet will be held at

the Sherman Hotel at which post-office and railway express officials and representatives of Wisconsin Central and Nationwide Airlines will speak on the importance of air service to Escanaba.

At 1:30 p. m. June 1, a dedication program will be held at the Escanaba airport. A speaker of national importance will be secured for the occasion. At two o'clock the first flight from Chicago will arrive at the Escanaba airport. A ribbon stretched across the runway will be cut by the airplane as it lands at the airport, dedicating the improved airport.

The Army Air Forces will present an aerial exhibition at three o'clock and at four o'clock, there will be aerial sight-seeing tours over the city until 5:30 p. m.

Boy Scouts, Girl Scouts and Campfire Girls will assist in the dedication program, as well as bands from the city and perhaps from surrounding communities.

## Jackson Sentences Two Check Forgers

**CRYSTAL FALLS, Mich.**—Harold V. Matson, 33, former resident of Munising and Marquette, drew a five to 14 year prison sentence for forgery in circuit court here yesterday. He pleaded guilty before Judge Glenn W. Jackson to stealing and cashing a check for \$118.86 in Iron River.

Lawrence Hanson, 21, also of Iron River, was sentenced to prison for one and a half to two years after his plea of guilty to a charge of driving away a car without intent to steal.

David Pidgeon, Caspian examiner, was placed on probation for five years. He had pleaded guilty to writing and passing worthless checks totaling more than \$259.

## Mrs. Art Walker Elected Trustee

Mrs. Arthur Walker of Escanaba was elected a state trustee of the Eagles auxiliaries at the state convention held in Flint May 19 and 20.

Mrs. Walker, who is president of the Escanaba auxiliary to Aerie 1088, and Mrs. Oscar Kjellgren attended the state convention as delegates from the Escanaba auxiliary.

## Soil District Gets Approval

**Delta Farmers Vote For Plan, 196-3**

Delta county farmers voted to create a soil conservation district, according to unofficial results of yesterday's vote as tabulated by Joseph Heirman, county agricultural agent.

Heirman said 201 votes were cast in the election of which 196 favored creation of a district three against and two ballots were void.

Directors elected were: Edwin Bergman of Bark River, who polled 123 votes; Harold Gustafson of Ensign, 123, and Clayton Ford of Cornell, 120. They were the top three in a six-man field. Heirman said election returns will be verified later by state officials.

## Delta Service Club Plans Old-Fashioned Dance Party May 27

Delta County Service club, an organization of young people with at least three years membership in 4-H clubs, is holding an old-fashioned round dancing party Saturday night at the Flat Rock town hall.

Music for dancing from 9 until 1 will be furnished by the "old-timers." The party, the first to be held this year, is open to the public.

Mrs. Llewellyn Larson of Escanaba, Route One, is chairman of the club committee in charge, and is being assisted by Larry LaPalm and Miss Betty Helgemo of Escanaba, Route One.

The service club was organized in Delta county three years ago.

## Iron Mountain Maps Program For Lions Convention June 11

**IRON MOUNTAIN, Mich.**—Karlton W. Pierce, for Motor Company, Industrial Relations Analyst, Detroit, and Clarence L. Sturm, Lions International Director, Manawa, Wis., will be the principal speakers at the District 10 Lions convention here June 11, 12 and 13. It was announced today by Silvio Egizii, convention chairman for the host Iron Mountain club.

Egizii said 150 to 200 Lions and their wives, representing the 40 Upper Peninsula clubs, are expected to attend the three-day sessions. A full schedule of business sessions, dinners, parties and special events has been planned. Highlight of the convention will be the governor's ball Monday night, June 12.

## Zatique Brunette Services Friday

Funeral services for Zatique Brunette, 82, of Cornell Route One, who died yesterday of a heart ailment in St. Francis hospital, will be held Friday morning at Holy Family church in Flat Rock. Fr. Roland Dion will officiate. Burial will be in Escanaba township cemetery.

A native of Canada, Brunette moved to Delta county 50 years ago and had lived on a farm at Cornell for the last 42 years.

He was a member of Holy Family church.

Surviving are his wife; two daughters, Mrs. Jim Guindon of Cornell and Mrs. Walter Young of Gladstone Route One; a son, Henry of Cornell; 28 grandchildren and nine great-grandchildren.

The body is at the Allo funeral home.

## Planning Group Meets Tonight

**To Consider Water, Airport Questions**

The Escanaba Planning commission will hold an important special meeting at the Escanaba city council chambers at 7:30 tonight. Robert Clayton, commission secretary, announces.

The commission has been requested by the Escanaba city council to study the water plant location and the airport development and financial problems.

After considering the questions, the planning commission will make its recommendations to the Escanaba city council.

## SHOPPERS ARE COMPARING

Comparison is proving — you need not pay exorbitant prices for fine quality ice cream. Wise shoppers soon learn that the price paid for a product is not always indicative of its true value.

Asselin's Quality Chekd ice cream is the product of years of experience in making fine ice cream that has always been offered at reasonable prices.

**Look for this symbol of leadership**

It is your double assurance of

- PURITY of ingredients
- AMOUNT of ingredients
- CLEANLINESS in Manufacture
- EXCELLENCE of Flavor

Modern equipment, efficient operation, lower delivery costs and long standing reputation for selling at moderate prices — all these make it possible for you and your family to appreciate this popular dairy food more frequently.

Asselin's ice cream is developed from an original recipe and improved to the highest point of perfection by masters of the art of making fine ice cream—the only ice cream in this northern area made and tested under complete laboratory control.

## Senator Graham Faces Fight In N. Carolina

By MARQUIS CHILDS  
WASHINGTON — Down in North Carolina they are seeing the windup of a campaign that sums up a good bit of our political life today. Whatever the outcome, it is bound to have an influence far beyond the borders of the state.

CHILDS

The three principals in the Democratic primary are like the characters in a political morality play. They concentrate in themselves the virtues and the vices, the triumphs and the failings of our system.

First on the list is Senator Frank Graham, who was appointed to the Senate after nearly 20 years as President of the University of North Carolina. By his ardent admirers, and they are legion in North Carolina, Graham is considered a kind of homespun saint.

**Naive About Politics**  
A short, thickset man, his face reflects the goodness and the earnestness that are at the base of his character. He has worked long and hard for the changes that have brought North Carolina to the forefront in the South in education, good roads, better race relations and so on.

Politically, Graham has the innocence of a saint. This led him in the past to lend his name to certain organizations with a leftist coloring and the opposition is now trying to use these affiliations against him. He is also naive about the cost of big-time politics. At the outset of the current campaign, Graham is said to have assured his friends:

"Don't worry about expenses. I've saved up \$7,000 and I'm sure that will be more than enough." But it is the high cost of an intensive statewide campaign that just now concerns Graham's backers. This is said to be no worry at all to his leading opponent, Willis Smith, a highly successful lawyer in Raleigh.

**Smith Is Conservative**  
Smith has carefully and assiduously followed the way of the Southern conservative. He has always said and done exactly the right things, and his reward has been the proper board of directors and the presidency of the American Bar association, Representative of the dominant group that wants to keep the South as it is. Smith is an able exponent of things as they are.

The third character in this morality play is former Senator Robert R. Reynolds—"Ouah Bob" out of the demagogic past. But this demagoguery is today a little dated, its edges curled with a weary cynicism, lacking the gusto that "Ouah Bob" once put into it. As a consequence, Reynolds is considered likely to be a poor third in the race.

While the lines of demarcation might be expected to be sharp on the basis of these differences, this is not entirely true. Some wealthy

and influential men are supporting Graham out of personal devotion. According to Graham's backers, James Gray, president of the executive committee of the Reynolds Tobacco Co., has told Graham that he will vote for him. Because he is soon to assume the presidency of the university, Gordon Gray, now on assignment by President Truman to try to find ways and means of closing Europe's dollar gap, is maintaining an impartial position.

**May Need Run**  
The best guess on the outcome of the contest is that while Graham will lead, with Smith a strong second, he will not get an outright majority of the votes. This will necessitate a run-off between Smith and Graham, to be held a month later.

Another campaign will cost a lot more money. And Graham's backers are fearful that the votes cast for "Ouah Bob" may in the run-off go to the conservative, Smith.

Party leaders who are working hard for Graham, such as Jonathan Daniels, Democratic National committeeman and executive editor of the Raleigh News and Observer, fear that his defeat will help to insure the success of the Dixiecrat movement throughout the South. They believe that with Graham's re-election North Carolina can serve as an effective bridge to rebuild the organization of the regular Democrats. Thus the result will have national repercussions.

But the decision in North Carolina may be seen in an even larger context. Because of the inner contradictions growing out of the uneasy union between North and South the Democratic party is threatened with a paralysis of in-

action. We have seen this in session after session of Congress in which there are nominal Democratic majorities.

The larger question then is whether men of Graham's progressive intentions and essential good will can find acceptance within the framework of the party. It may well be that the controls are passing into the hands of the stout apostles of things as they are.

**HARVESTER SQUIRRELS**  
Douglas squirrels harvest giant Sequoia seed cones for the foresters. The trees are too tall for man to climb, so he waits and picks the cones from the ground, after the squirrels have cut them loose for their winter stores.

## Sleep Promoted By New Devices

### Gadgets Developed For Insomnia

By SAM DAWSON  
NEW YORK (AP)—Stop yawning from spring fever and consider the art of relaxation.

Business brains have burned the midnight oil to think up ways of lulling you to sleep. Some people can get to sleep simply by thinking about the amount of work there is to be done. But others make work out of relaxing.

They blame their sleeplessness on the neighbors, their wives or their offspring. And the next day they hire hands at the office or the mill hark a rough time.

Consider a few of the wonders of science and the ingenuity of industry, as viewed through the ads, aimed at relaxing you with gadgets.

There's the "modern escape bed," which the Lewis & Conger Sleep Shop of New York peddles at around \$600. It is "equipped with automatic control panel for remote control of phonograph, television, for regulating temperature, humidity, and breeze; for instant access to favorite literature, beverages and snacks; for easing the insomniac tension and promoting deep restful sleep."

If you don't want to go whole hog on this business all at once, you can approach the gadgetry piecemeal. Here are a few simpler ones:

The "lullapine," an electrical gadget that "humms a constant drooping tone and dispels relaxing pine fragrance." Or the "slumber bath," a concoction to be added to your tub. On the "pulsating relaxer," an electric oscillating unit to be slipped under the mattress. No matter what you think, the ad says it "sends gentle pulsations that ease the tension."

If you aren't worn out by now, try reading yourself to sleep, using a non-skid prop-pillow, a floor reading stand that holds a book "securely in every conceivable position," and a robot cigarette holder which thwarts your tendency to set the bed afire.

### St. Jacques

#### Birthday Party

ST. JACQUES — Larry Paul, son of Mr. and Mrs. Kenneth Bogar, celebrated his fourth birthday Sunday at his home. Games were played and lunch was served with a white and blue cake centering the table. Larry Paul was remembered by his friends with gifts. Those who attended were Connie, Judy, Gloria and Mike Groleau, Mrs. Tom Beaudry and children Junior, Lorraine, Elaine, Mr. and Mrs. John Clark of Nohma, and Mr. and Mrs. Kenneth Bogar and Bonnie.

Mrs. Lucille Hall arrived from Detroit Tuesday evening and is staying at the Hector Gagnon home.

William Besson of Gladstone spent the weekend at the Hector Gagnon home.

Those who spent the Sunday at the Hector Gagnon home were Mrs. Joseph Casey, Mr. and Mrs. William Casey of Wells, Mrs. Marie Maxwell of Gladstone, and Mr. and Mrs. Gerald Heslip.

Mrs. Mary Coolay has returned to her home after spending the winter in Gladstone with her daughter, Mrs. Archie Swift.

Sunday guests at the Lucine Jones home were Mr. and Mrs. Clyde Rodgers and children and Mona Jones of Marquette.

Mr. and Mrs. Joe Lauzon from Gladstone visited at the Omer Groleau home Sunday.

Mr. and Mrs. Snoden from Baraga visited at the Emil Groleau home Sunday.

### Munising News

#### Red Pines Planted

MUNISING—The conservation class of Mather high school recently planted 1,200 red pine trees in the school forest at Melstrand. Roy E. Skog, extension forester, and Clayton D. Reid, county agricultural agent, provided equipment and supervised the planting.

Webber-Ahlborn

MUNISING—Mrs. Harold Clark Webber announces the marriage of her daughter, Jane Davy, to Wallace Louis Ahlborn, son of Mr. and Mrs. Louis Ahlborn, of Dyer, Ind., which took place May 12.

The double-ring ceremony was performed by the Rev. Harold Kelley in the Methodist church, Plainfield, Ill. They were attended by Mr. and Mrs. Don Calvert, of Joliet, Ill. The bride was attired in a white linen suit with matching accessories.

Mr. and Mrs. Ahlborn will be at home after June 1 in the Cleveland Apartment Hotel, Chicago.

#### Scout Bottle Drive

MUNISING—Girl Scouts of Troops 8 and 12 will conduct a city-wide bottle drive Saturday to earn money to help their members attend Camp Timber Trail this summer. Any bottles which can be turned in for a refund will be accepted. Bottles left on the front porches of homes will be picked up Saturday morning.

#### Annual Poppy Days

MUNISING—The American Legion auxiliary will stage its annual Poppy Days here Friday and Saturday. The flowers, made by disabled war veterans, will be sold by auxiliary volunteers.

#### Health Clinics Held

MUNISING—A group of 60 pre-school children were examined during clinics conducted here May 16 and 23 by Dr. E. J. Brenner of the Alger-Schoolcraft health department. A total of 102 children

were given immunization shots and 96 were vaccinated.

A clinic will be held again sometime in June for the second of three shots to be given.

#### Harbor Hearing Held

MUNISING—A crowd of 60 persons attended a public hearing at the Au Train school Monday night on a proposal to construct a federal small-craft harbor of refuge at either the mouth of Au Train river or in Shelter Bay. The hearing was conducted by Col. D.

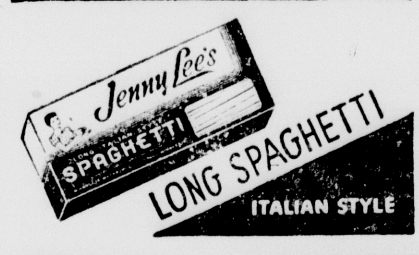

A. Morris, district engineer for the Corps of Engineers.

Miss Ida Olson, who was a guest of Mrs. Ludwig Anderson while spending a few days here on business, returned Wednesday to Chicago.

Mr. and Mrs. Stanley Myjack, sr., left this week for Rochester, Minn., where Mrs. Myjack will receive examination in Mayo clinic.

### Hogan And Snead Meet Again Today

FORT WORTH, Tex. — (AP) — The Ben Hogan-Sam Snead rivalry gets its third showing today as a field of 35 pushes into the first round of the \$15,000 Colonial national invitation golf tournament.

Wee Ben and Snead are rated top men in the battle for the \$3,000 first money.

Hogan tied Snead for first place in the Los Angeles open but lost in a playoff. A few weeks ago Ben went to the Greenbrier open in Snead's home town and not only beat Sammy by 10 strokes but tied the world's record for 72 holes on a par 72 course—259.

# Michigan 4-H Leader Honored

## Kettunen Gets Award Today In Washington

For building one of the most effective state 4-H club programs in the nation, A. G. Kettunen, state 4-H club leader at Michigan State college, received national recognition today in Washington, D. C.

In special ceremonies at the Sylvan Theater on the Washington Monument grounds, Kettunen was presented the superior service award by Charles F. Brannan, secretary of agriculture. The award is given by the United States department of agriculture to outstanding workers in the department.

Unanimously recommended for the award by a Michigan committee appointed by C. V. Ballard, director of the Cooperation Extension service, Kettunen has been a state 4-H Club leader for 25 years and member of the 4-H Club staff for 33 years.

Among "Kettis" more outstanding achievements cited were the establishment of the county 4-H councils, securing of a state 4-H Club allocation fund through the state department of agriculture and legislature, building of state and county 4-H Club camps and inauguration of one of the nation's outstanding 4-H Club shows.

Kettunen joined the Michigan extension staff as an assistant state leader following graduation from Michigan State College in 1917, and was soon placed in charge of 4-H Club work in the Upper Peninsula. He became state 4-H Club leader in 1925. The program has reached nearly two million youth since that time.

### Writers Going To Menominee

#### To Enjoy Fishing In That Region

MENOMINEE, Mich.—Tentative plans for entertaining members of the Michigan Outdoor Writers association and newspaper and magazine writers from Midwest states who will meet this weekend in Escanaba were drafted at a meeting in Stephenson of Menominee county tourist promoters. The meeting was sponsored by the Menominee County Tourist Council in cooperation with the Menominee Chamber of Commerce and the Menominee Tourist association.

About 75 writers will attend the Escanaba meeting including many scribes from Minnesota, Wisconsin, Illinois, Indiana and Ohio. They will hold their business meetings in the evenings and will spend the days visiting U. P. counties in search of material for stories of interest to tourists and vacationists.

A Menominee bus will go to Escanaba each morning and pick up a group of the writers and conduct tours of the county with State Conservation Officer Clarence Lienna acting as guide. Fishing and hunting grounds, historical points, parks and other places that appeal to outdoor fans will be visited. There will be golfing for those who want to play.

Plans for Saturday call for a leisurely trip down M-35 with a visit at John W. Wells State Park, dinner in Menominee and an afternoon tour up the Menominee river road and an inspection of the Shagbark hickory area. On Sunday it is planned to conduct a canoe trip down the Big Cedar river while on Tuesday, the group will be taken out on Green bay to watch commercial fishing operations with dinner at Sutton's resort on M-35 on the return trip. No trips are planned for Monday because on that day Gov. G. Menen Williams will be in Escanaba to address the writers and the program will be centered in Escanaba.

### Briefly Told

#### Marriage Licenses

Applications for marriage licenses have been made by Robert O'Todave of Carney, Route One, and Loretta Chouinard of Escanaba, Route One; and Norman H. St. Vincent and Margaret A. Hurkmans of Rockford, Ill.

#### Injures Foot

Tommy Hogan, 12, son of Mr. and Mrs. Harry V. Hogan, 808 South 15th street, fractured a bone in his left foot while playing basketball Tuesday. He was taken to St. Francis hospital yesterday for x-rays and is remaining for a few days for treatment.

### Hold Hearings Here On Naturalization

Hearings on naturalization petitions from four Delta County residents were conducted at the county courthouse today by Francis W. Reed of Sault Ste. Marie, naturalization examiner for the U. S. Department of Justice.

Petitions heard were from Dora Kutches, Marguerite Gabrielson, Frank W. Miller and Bertha Falkeis. Miss Genevieve Gorsche of Sault Ste. Marie clerk for the naturalization office, assisted.

### Halt Pollution, 8 Cities Ordered

(Continued from Page One)

the waters of Crooked Lake, plans to be submitted by Sept. 1, 1950.

City of Cheboygan, pollution of the waters of the Cheboygan river, control program to start on or before June 1, 1952.

City of Clare, pollution of the Tobacco River, program of control to be ready by June 1, 1952.

City of Gladwin, pollution of the Cedar River, plans correction to be submitted not later than Jan. 1, 1951.

Order Four Hearings

City of Standish, pollution of the Pine River, plans for correction to be ready not later than June 1, 1952.

The Michigan Producers Dairy company of Standish is a related problem and was given similar notice. The village of Roscommon also was ordered to abate pollution of waters there; and the commission gave the Ramona Park hotel to June 20 to comply, on the promise of the park management that no pollution would occur meanwhile.

Four notices of determination adopted and the communities ordered to appear for hearing on the facts at the July 25 meeting of the commission in Ann Arbor. Notified to appear were the following:

Village of Oden, Littlefield township; City of Alpena; and the City of Detroit and the Wayne county board of supervisors, in connection with companion problems in the disposal of raw sewage.

### Motorist Charged With Drunk Driving Following Accident

Walter Jepson, 55, of 1105 Lake Shore drive entered a plea of not guilty to a charge of driving under the influence of alcohol, when arraigned this morning in justice court here.

Jepson was arrested by officers of the Delta County sheriff's department last night, after Jepson was in an accident on M-35, 12 miles south of Escanaba.

According to sheriff's reports, Jepson's car went off the road on the right shoulder, and struck a car driven by Patricia J. Nichol of 1417 Ninth avenue south, when Jepson tried to pull the car over to the left. The Nichol car was damaged on the left side and the front end of Jepson's car was considerably damaged.

After hitting the Nichol car, the Jepson car swung back to the right shoulder and traveled 330 feet and hit some trees along the road.

Trial in the case has been set for 2 p. m., June 2.

With Miss Nichol at the time of the accident were Carol Christlanson and Joan Johnson of Escanaba. The accident occurred at 6:15 p. m.

### Upper Peninsula Bankers Assn. Officers Named

New officers of the Michigan Bankers association, Group one, comprising the Upper Peninsula, were announced today by L. E. Chabot, president of the First National bank, Ontonagon, and secretary-treasurer of the association.

R. J. Tuxworth, cashier at the Sault Savings bank, Sault Ste. Marie, was named chairman and C. J. Dubuque, of L'Anse, vice-chairman. Named to the legislative committee was W. J. Shinar, of Manistiquie. H. W. Nadeau, of Menominee was named to the agricultural committee.

Named to the executive committee were one representative from each U. P. county. Those appointed were Elmer Erickson, of Munising, Alger county; Arthur Ohman of L'Anse, Baraga county; F. H. Beacom, of Pickford, Chippewa county; J. L. Greene, of Escanaba, Delta county; B. F. Bambenek, vice president of the Commercial bank, Dickinson county; G. A. Dahlen, Ironwood, Ontonagon county; Edgar Johnson, Calumet, Houghton county; E. J. Kreski, Iron River, Iron county; C. F. Morgan, Mohawk, Keweenaw county; E. B. Moss, Ishpeming, Marquette county; George Hudry, Menominee, Menominee county; A. A. Borsum, Newberry, Luce county; H. A. Powers, St. Ignace, Mackinac county, and W. H. Leiser, Ontonagon, Ontonagon county.

### Communist Youths Pour Into Berlin; West Border Watched

BERLIN—(P)—Red police posted guards along the Russian sector boundary today to keep some 100,000 "free German youth" (FDJ) marchers, now in east Berlin, from straying to the west.

Soviet-controlled newspapers blared a warning that "Anglo-American incendiaries are throwing young German peace fighters in jail just for wearing the blue shirt."

West German police confirmed that they have arrested 15 FDJ members since Monday for riding in trucks decorated with Communist propaganda. Red officials charged that the arrest total was far higher.

Meanwhile, FDJ cohorts continued to pour into east Berlin by train and truck every hour. With 100,000 already here, Communist youth officials predicted that the figure would double by tomorrow.

### Suburb Of Detroit, Livonia Becomes City To Get Race Revenue

DETROIT—(P)—Michigan's newest city is now ready to set out upon its career.

The community of Livonia, a suburb of Detroit, has completed its first municipal election, choosing a mayor and city council and filling other offices. A city charter was adopted.

Jessie Ziegler, a Livonia township supervisor for 29 years, was chosen mayor. He was unopposed.

Livonia, which has 20,000 residents, voted to incorporate as a city some time ago in order to draw tax money from the new race track. As a township it could not collect such revenue.

### Manhattan-Brooklyn New Tunnel Opened, Longest In U. S. A.

NEW YORK—(P)—A night-mare for motorists ends today with the opening of the Brooklyn-battery tunnel connecting Manhattan and Brooklyn under the East river.

The \$80,000,000 twin two-lane tubes are expected to handle 10,000,000 vehicles annually. Fares range from 35 cents for passenger autos and upward for trucks.

It is estimated that the tunnel will save 35 minutes in travel time between the congested waterfronts of Manhattan and Brooklyn.

But many a motorist has taken two nerve-racking hours to drive through jammed streets over the East river bridges in rush hours.

From portal to portal the new tunnel measures 9,117 feet. It is the longest under water link in the United States.

### Indochina Promised U. S. Economic Help

SAIGON, Indochina—(P)—The United States announced today a program of economic aid for Indochina, but warned that the main responsibility for restoring stability to the war-torn country rests with France and the associated Indochinese states.

The American announcement was transmitted to the French and the Indochinese governments in a letter from Edmund Gullion, U. S. legation charge d'affaires here. The letter made no mention of the extent of the aid program or its specific nature.

The general expectation here is that the program will begin with an initial allocation of about \$23,500,000 reported to have been recommended by the American mission to southeast Asia under Allen Griffin.

### Big Atlanta Store Puts Merchandise On Television Program

ATLANTA—(P)—Starting today, Atlanta's largest department store (Rich's) will carry its merchandise right to Madame Housewife through the medium of television.

The idea is the brainchild of Joseph Guillozet, the store's publicity director. He figures it might be a way to beat the sales slack caused by Atlanta's eight-day-old strike of trolley drivers.

Housewives stranded at home because of the transportation tie-up can relax and watch a television parade of clothing, sporting goods, swim suits, porch furniture, cookie cutters or what have you.

The TV broadcasts are scheduled for three hours in the late morning and early afternoon.

### Professor In Politics

LANSING—(P)—Donald Hayworth of East Lansing, speech professor at Michigan State college, today announced he would be a candidate for the Democratic nomination to Congress from the sixth Michigan district.

### Actor Fined Again

SANTA MONICA, Calif.—(P)—Actor Lawrence Tierney paid a \$50 fine and was given two years probation after he pleaded guilty to a drunk and disorderly conduct charge yesterday. His arrest May 8 was the 11th in four years.

### George Johnson, Marinette, Dies

#### Was C&NW Railway Freight Clerk

MARINETTE, Wis.—George E. Johnson, 52, of 99 Burns street, Marinette, died Tuesday evening at 11:15 in Marinette General hospital. Mr. Johnson was born April 23, 1898 in Iron Mountain, where he attended the public schools and graduated from the Iron Mountain high school. At the time of his death, he was employed as rate clerk in the Marinette freight office of the C. & N. W. Railway.

From Iron Mountain, Mr. Johnson moved to Stambaugh and Iron River, where he accepted a position with the Chicago & North Western Railroad, with which he was connected for 34 years. He married Lillian Edling Russell of Iron River on July 9, 1922. The Johnsons moved from there to the Twin Cities in 1932, and at that time Mr. Johnson took a position as clerk in the Menominee freight office, which he held for two years, after which time he went to the Marinette freight office as cashier and later became rate clerk, which latter position he held up to six months ago, when he took a leave of absence.

Besides his wife, Mr. Johnson is survived by a stepson, Vernon Russell; three brothers, John Hugo Johnson and Herbert Johnson of Iron Mountain, and Fridolph Johnson of Escanaba; four sisters, Mrs. Carl Johnson, Rockland, Mich., Miss Doris Johnson, Miss Alice Johnson and Mrs. Lloyd Bastian of Iron Mountain; and two grandchildren. Two sisters and one brother preceded him in death.

George Johnson was a member of the Broadway Baptist church, where he had been deacon several years, and also served as vice-

### Flash Storm Causes Damage At Detroit

DETROIT—(P)—A flash storm caused one death and widespread damage to utility lines and trees in the Detroit area yesterday afternoon.

Winds up to 37 miles an hour upset five boats in Lake St. Clair and the Detroit river. The occupants swam to safety.

William McDonald, 31, an employee of the Kelly Coal Co., picked up a connected electric drill at the height of the downpour. He was electrocuted.

Ralph L. Baker, an insurance man, suffered severe burns in the explosion of the power plant of his houseboat on Peche Isle. Lightning apparently struck the vessel.

### Fleet Of 33 Warships Gathering At Guam

GUAM—(P)—The biggest concentration of naval power in the western Pacific since war's end—33 U. S. warships—arrives at Guam today and tomorrow under Vice Adm. Arthur D. Struble, commander of the Seventh fleet.

Task forces built around the carriers Boxer and Valley Forge are meeting in Apra harbor in the new rotation system which keeps one first line carrier showing the United States flag in southeast Asia.

The Valley Forge force of 19 ships includes four snorkel submarines. The returning Boxer force has 14 ships.

## Arctic Canoeists At Grand Marais On Way To Aklavik

GRAND MARAIS—W. Emerson Scott of Caro, Mich., and Ray Triessen of St. Charles, Ill., who are on the second leg of their long and hazardous canoe journey from Saginaw to Aklavik on the delta of the Mackenzie River, 100 miles north of the Arctic Circle were guests of the Grand Marais Chamber of Commerce Sunday and Monday.

They arrived in Grand Marais harbor Sunday afternoon.

Scott and Triessen left Saginaw April 23 to begin their trip of an estimated 5,000 miles and according to prearranged time schedule planned to arrive at their destination August 20. Because of adverse weather conditions and the unexpected amount and size of ice floes encountered, especially in Lake Superior, the men arrived at Grand Marais nearly two weeks behind their schedule.

**Route of Trappers**  
They plan to follow the route of the Georgian Bay trappers as they travel northward through Canada to the Arctic Ocean.

Scott has dreamed of this trip for years and for the past decade has worked diligently toward it. He and his young companion are making the journey in a 115 pound canoe, carrying 1,000 pounds of luggage and supplies, propelled by paddles and an outboard motor.

After they arrive at their destination they plan to return to Saginaw immediately by plane. Scott plans to publish a book on their experiences. They are taking both movie and still shots of the scenic beauty spots along the way.

The canoeists left Sault Ste. Marie May 17 and reported lots of snow and ice floes. Near Emerson in the Tahquamenon Bay they had difficulty crossing fishermen's nets. One evening they camped at the edge of a three and a half foot deep snow bank on the shore of Mosquito Bay. Although they had seen patches of snow along the banks previously this was their first direct encounter.

**Lake Trolling**  
Upon their arrival at Grand Marais they were met by Charles Chilson, secretary of the Chamber of Commerce, Robert Jacobites, president of organization and Louis Dowell, town supervisor. They spent part of Monday trolling for lake trout with Clarence Welker but found it difficult because of the amount of floes still in Superior.

They left Tuesday morning at daylight to resume their travels, planning stops at Munising and at Marquette for their second mail pick-up.

They hope to take part in a white whale hunting expedition and the annual reindeer roundup.

## Newberry

Francis Boucher left Wednesday to report for regular army training at Fort Knox, Ky., following enlistment at Escanaba for three years.

## Nahma

**Personals**  
Mr. and Mrs. R. B. VanCleve and family left Monday for Townsend, Wis., where they will make their future home.  
Mr. and Mrs. Clarence Eure of Milwaukee, Mrs. Peter Newhouse, sr., of Menominee and Tim Pfaffle of Marquette attended the services for Mrs. Peter Newhouse Saturday.

Marlene Schafer left Wednesday for Chicago where she will be employed for the summer months.

MEAT MAKES  
THE DIFFERENCE!

Only selected cuts of tender  
beef and juicy pork are  
good enough for America's  
favorite franks!

**Swift's Premium  
Franks**  
are "dinner-quality" meat!

They're made fresh daily from  
coast to coast!

## Card of Thanks

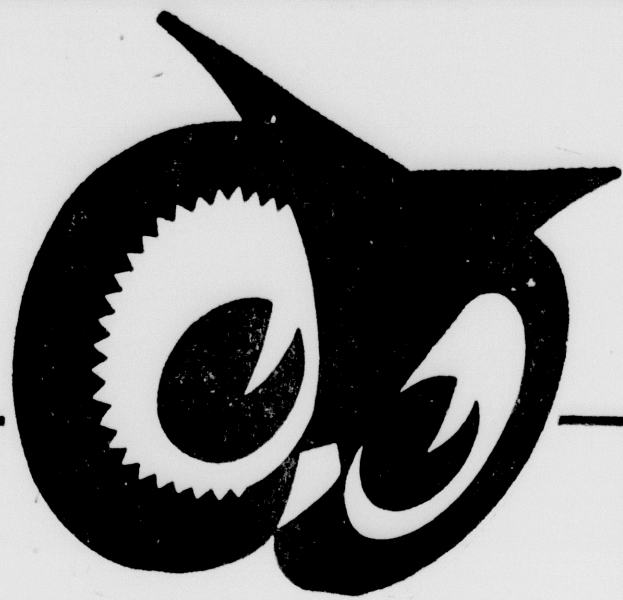

I hereby want to express my heartfelt thanks to one and all, who partook in the farewell party given in my honor last Monday evening in the Evangelical Covenant church. The love-gift presented will go a long way to help defraying travelling expenses, and will be a constant reminder of the prayers and good wishes accompanying the gift. Let us continue to build friendship rather than warships!

In return I will remember you in my prayers during this long anticipated trip over land and sea. God willing, I will be back to my duties Aug. 5th. In the meanwhile, God bless you one and all!

As ever yours,

John P. Anderson  
P.S. I am also indebted to the Scandinavian Airline for the appointment to be guide for a group of 24 passengers who will fly with me from New York to Oslo and Stockholm. Without this appointment my trip to the land of my birth would have been absolutely impossible. But miracles still happen. We'll be leaving New York June 1 at 11:30 a. m. arriving in Stockholm June 2 at 11:45 a. m. My itineraries will cover about five weeks. The rest of the time will be spent in sightseeing and visiting relatives and friends.

J. P. A.

### Secretary Bevin Returns To Hospital

LONDON—(P)—Britain's ailing foreign secretary Ernest Bevin returns to a hospital next Tuesday for a second operation for hemorrhoids.

A foreign office announcement said Bevin, who left the hospital May 4 after the first operation, had interrupted his treatment to attend the meetings of the Big Three and Atlantic Pact foreign ministers.

The foreign secretary, however, is performing his normal duties at the foreign office and will take part in today's House of Commons debate, the announcement added.

Bevin has suffered from asthma and a heart ailment for some time.

### Engadine

**Church Services**  
ENGADINE—Services at the Engadine Missions, May 28 are: Engadine 8 a. m., Gould City, 9:30 and Naubinway, 11. Devotions will be held at Engadine at 7:30 Friday evening.

**Personals**  
Mr. and Mrs. D. H. Harold and children, Caroline and Benjamin, of El Paso, Tex., have arrived here for a month's visit with his step-father and mother, Mr. and Mrs. Albert Truex.

Mr. and Mrs. D. H. Harold and children, Caroline and Benjamin, of El Paso, Tex., have arrived here for a month's visit with his step-father and mother, Mr. and Mrs. Albert Truex.

Mr. and Mrs. August Mantie and sons, August, Jr., and Albert are visiting for a week in Menominee with Mr. Mantie's sisters, Misses Agnes, Leona and Antonia Mantie.

### Garden

**Fishing Good**  
GARDEN—The opening of the walleye season Sunday and the peak of the perch run brought many sportsmen to the Garden peninsula during the weekend. Among the fishermen were Mr. Hoholik and son, Ernest, and Mr. and Mrs. Chester Winter of Marquette, Fred Winter of Marquette, Harold Winkel of Cooks and Mr. and Mrs. John Farley, Escanaba.

**School Picnics**  
Pupils of the grade school and their teachers, Mrs. Emma Rost, Kenneth Ralph and Frank G. Tebo, enjoyed their annual school picnic at Indian Lake. They were taken to the picnic grounds in school buses with Bonard and Gordon Tatrow, drivers. The kindergarten and first grade children had their outing at Fayette Harbor. Miss Harcella Winter and several of the mothers accompanied them.

**Church Services**  
Garden church services are: Congregational, Sunday school at 10 a. m. and worship service at 4 p. m.; St. John the Baptist, devotions at 7:30 Friday evening; Masses at 8 and 10 Sunday, May 28.

**Marygrove Retreat**  
The retreat at Marygrove attended by 16 women of the Escanaba Deanery closed Sunday.

**Briefs**  
Mrs. Henry Chandanois and daughter Joyce of Manistique visited her mother, Mrs. Clara Hynes Sunday.

Mrs. Cornelius Duncan and Miss Ruth Truckey returned to Detroit Saturday. They took their mother, Mrs. George Truckey, who is in her 90th year Thursday to visit her younger sister, Mrs. Charlebois of Escanaba, at the St. Francis hospital where she

has been confined for the past three months.

Mr. and Mrs. Vernon Hazen will move back into their home in Kate's Bay after spring cleaning and renovation is completed.

Mr. and Mrs. Harry Lamkey and Miss Ann Baetke of Milwaukee arrived Sunday to visit at the Paul Lamkey and Herbert Sill homes in Van's Harbor.

Mr. and Mrs. William LaBelle of Flint spent the weekend with relatives on the peninsula. They were accompanied by Mrs. Robert Tatrow and son Jerry of St. Ignace who visited Mrs. Nora Lester.

Mr. and Mrs. Wesley Horning and Mrs. Mary Birk spent Sunday at the Alvin Carlstrom home in Manistique, to visit with Mrs. Birk's granddaughter Beverly, daughter of Mrs. Jennie Peterson of Detroit, who called briefly on her aunt while honeymooning.

Edmund Mercier is better after a serious illness suffered Friday and Saturday.

Visitors at the William Winters home Sunday were Mr. and Mrs. Douglas Walker, daughter Lila and Mrs. Rena McKay of Escanaba, Mr. and Mrs. Robert McPherson, Mr. and Mrs. Cole and daughter and Mrs. Caswell of Rapid River.

Mr. and Mrs. Francis Gray of Escanaba visited Alvin Gray Sunday.

### Class Receives First Communion

WELLS—Thirty children of St. Anthony's church, Wells, received their First Holy Communion Sunday. Members of the class who were prepared by the Dominican Sisters of Escanaba are: Francis Grenier, Gary White, Billy Perle, Alice Gonsowski, Judith DeMars, Barbara Kozar, Emily Derouin, Donna Pinar, Leonard Terrian, Roger Beauchamp, Della Marie Finlan, Robert Gardener, Therese Cody, Lambert Frappier, Sandra Trombly, Joanne Carlson, Fred Cody, Richard Heroux, Ronald LaCasse, Mary Anderson, Barbara Randall, Gary Randall, Jacqueline Carley, Dolores Frappier, Judy Anderson, Rita Goodnough, Joseph Roberts, Arnold Beaudry, Merle Godfrey, Howard Couillard.

Little Barry Saunders, son of Mr. and Mrs. Ernest Saunders,

Groos, celebrated his second birthday Saturday afternoon at a party held at his home. The youngsters played games and had their pictures taken during the afternoon, after which Mrs. Saunders served them ice cream and cake. The guests at the party were Jimmy Groos, Tommy and Jerry Groos, Russell and David Greenles, and their mothers.

The marshmallow plant is a cousin to the hollyhock.

### Grand Marais

**Personals**  
Mr. and Mrs. Andrew Soldenski have returned from Munising where Mr. Soldenski received a medical check-up for a neck injury received last fall.

Mr. and Mrs. Arthur Goupille have returned from Munising where they visited with Mr. and Mrs. A. D. Wood.

St. Paul's At Hyde Observing  
Double Anniversary Sunday

St. Paul's Ev. Lutheran congregation at Hyde will celebrate two outstanding events in the history of the church Pentecost Sunday, May 28, the 50th anniversary of the founding of the congregation and the 100th anniversary of the organization of the Wisconsin Synod.

The double anniversary will be observed at a service at 9:30 a. m. at which Holy Communion will be celebrated. The guest preacher will be Rev. L. G. Lehmann of Muckwanago, Wis., a former pastor of the church.

The congregation which now is served by Rev. A. A. Schabow, was founded by a group of seven men May 27, 1900. The founders were the late Frank Porath, sr., August Porath, Julius Kositzke, Karl Baronowski, John Bittner, Carl F. Sheel and Arno Wagner, Resident Pastor.

During the past 50 years the congregation has grown to a membership of 225, 150 communi-

cant members and 58 voting members. Pastors of Escanaba and Powers served the church until 1933. In that year the parish called its own resident pastor, Rev. A. L. Engel who served until September of 1937. He was succeeded by Rev. Lehmann who was pastor from January, 1938 to April 25, 1943. Rev. Schabow has been pastor since May 30, 1943.

Earl Herbst is president of the congregation at present; Ragnar Ogen is vice president; Melvin McDonald, secretary; Clarence Dietrich, treasurer; George Choler, sr., Albert Leisner and George Gunkel, trustees; and Max Neumann and Ferdinand Lancour, deacons. Ernest Klein is the Sunday school superintendent.

The Wisconsin Synod of which St. Paul's of Gladstone, St. Martin's of Rapid River, Salem Ev. Lutheran, Escanaba, Grace of Powers and St. Paul's of Hyde, in this area, are members, was founded by three missionaries at Granville, Wis., May 26, 1850.

**Steady Growth**  
From small beginnings and through many adversities it has grown to its present membership of 297,922 as of record of January 1, 1949. The Synod carries on its work through the support of 211,030 communicant members in 833 congregations, served by 620 pastors. It also maintains 239 mission parishes in 14 states, Canada and Germany and 155 missionaries. The Hyde church is one of the mission parishes. About six and a half million dollars a year are contributed by members for all church purposes.

Within this body 44 teachers now are serving 14,928 children enrolled in 204 Christian day schools. Christian high schools are available to youth in a number of areas and expansion programs to increase the number of trained teachers as well as pastors are under way. Preparatory schools are situated in New Ulm, Minn., Saginaw, Mich., Moberg, S. D. and Watertown, Wis., site of Northwestern college, at which Edward Lindquist, a member of the Hyde parish, now is preparing for the ministry.

Supper For Barr  
Sixth Graders  
Given Last Night

The Barr school honored its sixth graders, a class of 53 members, at a pot luck supper last evening at the Franklin building. Over 100 pupils, parents and special guests were present.

Clarence Zerbel, principal of the Junior high school gave the invocation. The program included assembly singing led by Miss Marjorie Irwin and a talk on bicycle safety by Chief of Police Michael Eitenhofer. Miss Alice Milbrand and Mrs. Carl Wickman, sixth grade teachers, and Miss Esther Carlson, principal of the Barr building were presented with gifts by the sixth graders.

Special guests included Mrs. Roy Swanson, Parent-Teacher Council president, Miss Helen Elaine Stenson, director of elementary education, Supt. John A. Lemmer and Miss Mary Stark.

The dinner was sponsored by Mrs. William Weycker, Barr PTA president. Mrs. H. L. Holderman was chairman of the committee on arrangements, assisted by Mrs. Robert Henderson, Mrs. Helmer Groop, Mrs. John Gaudin, Mrs. Harry Hogan, Mrs. Charles Neumeier, Mrs. William Karas and Mrs. John Hildreth.

Two Weddings In  
E. L. Brotherton  
Family This Month

Mr. and Mrs. E. L. Brotherton of Dixon, Ill., former residents of Escanaba, had two weddings in their family group this month.

Jean Ann Rockwell of Chicago and Robert Brotherton spoke their vows Saturday, May 13, in St. John's Catholic chapel at Champaign, Ill. Mr. Brotherton received his degree from the University of Illinois last year, and his bride will be graduated in June. The couple will spend the summer in Idaho and Mr. Brotherton will teach at the University of Washington this coming year.

The second wedding was that of the Brothertons' daughter, Betty, who became the bride of Kenneth Johnson, Saturday, May 20, in a ceremony at St. Patrick's church in Dixon. Betty's cousin, Mary Olive Lemmer, daughter of Mr. and Mrs. Conrad Lemmer, went from East Lansing where she attends Michigan State college, to be bridesmaid at the wedding. The Johnsons will live in Dixon.

**MAY QUEEN**—Dorothy Vachon, member of this year's graduating class of St. Anthony's hospital School of Nursing, Rockford, Ill., was elected May Queen and will reign at the dance in the Y. M. C. A. log lodge Friday evening, a traditional commencement week party at which the freshmen entertain in honor of the seniors. Miss Vachon will be graduated at commencement exercises Monday evening, May 29. She is a daughter of Mr. and Mrs. W. J. Vachon, 417 South 14th street, who will attend the commencement program. She entered St. Anthony's following her graduation from Escanaba high school.

Highland Women's  
League Holds  
Opening Dinner

The Women's League of the Highland golf club opened its social activities for the year with a dinner for 100 members last evening at 7 at the club house.

Spring flowers and green tapers were used in the attractive table appointments.

Golf matches in the afternoon preceded the dinner party, at which the new members of the club were introduced. A short business session was held after dinner. Mrs. Grover Lewis, president, presiding, and bridge, canasta and pinocle were played during the evening. High scores in bridge were held by Mrs. C. E. Johnson, Mrs. Edward Schwartz and Mrs. Lawrence Beauchamp.

The hostess committee was Mrs. George Walter, chairman, Mrs. H. J. Yelland, Mrs. Ben Yagodzinski, Mrs. Harold Winchester, Mrs. Tom Wilkinson, Mrs. Vernon Wickland, Mrs. Frank Wawirka, Mrs. Donald Wertz and Mrs. Howard Wade.

## Births

Mr. and Mrs. Anthony Schomin, 300 South 10th street, are the parents of a son, their first child, born at St. Francis hospital May 24. The baby weighed five pounds and two ounces.

A daughter was born to Mr. and Mrs. Elmer Linjala of Rock May 24 at St. Francis hospital. The baby's weight was eight pounds and four and one-half ounces. The Linjals have two other children.

Daughter Born To  
Robert Bracketts

Mr. and Mrs. Robert Brackett of Glasgow, Montana, announce the arrival of their first child, a daughter, Jane Kathleen, born May 19. The baby weighed six pounds and nine ounces. Jane Kathleen is the third grandchild of Mr. and Mrs. Harry D. Brackett of this city and the seventh great grandchild of David E. (Dad) Brackett.

The Cheshire cat has no actual existence, except in literary expressions.

## Social-Club

**Bluebird Hike**  
Washington Bluebirds hiked to Sand Point recently to view the wildlife and also were taken on a tour of WDBC. In the party were Sally Erickson, Sandra Morin, Barbara O'Connell, Judy Servant, Margie St. Peter, Sandra Maynard, Linda Johnson, Madeleine Jensen, Nancy Gannon and chaperones, Judy and Joan Santimore, Camp Fire Girls.

**Webster Cub Pack**  
Webster Cub pack 413 will meet at the school at 7:30 tonight. All Cubs and their parents are urged to attend.

**Social Party Friday**  
The Ladies' Auxiliary to Canton Hiawatha No. 48 will hold a social party on Friday evening, May 26 at the Odd Fellows hall, N. 10th St. beginning at 8 o'clock. The public is cordially invited to attend.

Gift Of Books  
Is Memorial To  
Miss Julia Parsons

A collection of books has been given to the Carnegie public library by the teachers of the Escanaba public schools in memory of Miss Julia Parsons who passed away early in the year. The selection was made of books that would interest the early teen-age as that was the group she devoted her time, enthusiasm, and energy to from the time the Junior high school opened in 1931 until her death.

The books are:  
The Home Book of Laughter edited by May Lamberton Becker.  
An Inheritance of Poetry, collected and arranged by Gladys Adshead and Annis Duff.  
Louisa May Alcott by Medelaine Stern.

Here's Your Hobby, written and illustrated by Harry Zarchy.  
Another Spring, the story of Lady Jane Grey by Katherine Eyre.

It Took Courage; tales of adventurous discovery by Stanley Rogers.  
Famous Pets of Famous People by Mae Trovillion Smith.

The books may be seen any time at the library during the next week and will then be put into circulation.

Trade Secrets: Due to weather conditions, the southern Strawberry crop is very late, and will be very short. So enjoy them while you may.

## FROSTED STRAWBERRY SALAD

1 pint ripe strawberries  
1 10-oz. pkg. marshmallows,  
cut in small pieces  
2 8-oz. pkgs. cream cheese  
1/2 cup real mayonnaise  
1 cup heavy cream whipped  
Watercress lettuce or other  
salad greens  
Slice berries, reserving a few  
for garnish.  
Combine berries and marshmallows and allow to stand while preparing other ingredients. Blend cream cheese with fork and blend in mayonnaise. Fold in whipped cream, then fold in berry mixture and pour into a freezing tray or loaf pan, and freeze until firm. Unmold and garnish with salad greens and whole berries. Serve with additional mayonnaise to which a little whipped cream has been added. Fine served with nut bread sandwiches for a dessert bridge, or as a dinner salad.

Legion Auxiliary  
Sponsoring Annual  
Poppy Day Sale

The Auxiliary of Cloverland Post 82, American Legion, has completed plans for its annual Poppy Day sale which will be conducted in Escanaba Friday evening and all day Saturday. Mrs. Mike Farrell is general chairman.

The poppies will be sold by the Girl Scouts and the Camp Fire Girls for whatever donation the buyer wishes to make.

The poppies, as is generally known, are made by disabled veterans in hospitals throughout the country, the work enabling them to earn money and also providing valuable occupational therapy.

The flowers made of crepe paper with wire stems are exact replicas of the wild poppies of France and Belgium which grew in profusion on the battlefields of both world wars.

The veterans work on the flowers in their hospital beds, wheel chairs, or in the hospital hobby shops. In some states, special workrooms are maintained by the Auxiliary where disabled men outside the hospitals are employed. The veterans develop great skill and speed in shaping the flowers and are able to earn substantial amounts without overtaxing their strength. For them the poppy fills empty hospital hours with interesting, profitable employment.

Oldest medical weekly in the United States is the New England Journal of Medicine, established in 1828.

# Memorial Day To Emphasize Peace Prayers

WASHINGTON—(AP)—President Truman has asked the American people to observe Memorial Day "as a day of prayer for permanent peace."

In a proclamation, he designated the hour beginning at 11 a. m. (Eastern Daylight Saving Time), Tuesday, May 30, "as a period in which all our people may unite in prayer, each in accordance with his own religious faith, for divine aid in bringing enduring peace to a troubled world."

The president acted under a congressional resolution which called for Memorial Day to be observed both by tributes to the heroic dead and by nation-wide prayer for peace.

Senator Ferguson (R-Mich) and Rep. Michener (R-Mich) sponsored the resolution, picking up a suggestion from Carl M. Saunders, editor of the Jackson (Mich) Citizen Patriot.

Saunders received a Pulitzer prize for an editorial urging designation of Memorial Day to pray for peace.

LANSING PROCLAMATION  
LANSING—(AP)—Governor Williams' Memorial Day proclamation asked the people to rededicate themselves to "the ideas and

fundamental truths that make our nation great."

His proclamation: "Every year by tradition and by law, our nation and our state has set aside a day to honor the memory of those who fought and died that liberty might live."

"This year we must do more than pay respectful tribute to the dead of our past wars. We must give thought to the living and to those who will live after us. Challenged as we are on every hand by conflicting ideologies, every American must repledge his allegiance to the principles of freedom on which our great democracy is founded. That we so rededicate ourselves is vital to our nation's security and the welfare of its people."

"Therefore, I, G. Mennen Williams, governor of the state of Michigan, do hereby proclaim Tuesday, May 30, 1950, as Memorial Day in Michigan, and urge our citizens on that day, to display the flag, to pay homage publicly to the heroes whose valor kept us free, and to rededicate themselves as individuals to the ideals and fundamental

## City Council Adopts Budget

### \$185,234 Voted For City Expenses

A city budget totaling \$185,234.15 was approved by the Manistique city council Monday night.

Council members approved the city manager's tentative figures after eliminating an item of \$4,000 for equipping city police cars with two-way radios.

Included in the new budget are \$15,000 for a new fire truck and \$3,000 for a new air compressor.

The total amount of the 1950-1951 budget to be raised by local taxation is \$91,235.15. The rest of the budget is provided by other city income, including state funds for city maintenance of state highways in the city and the municipality's share of the weight and gasoline tax.

The city tax rate was set at 19 mills at a previous council meeting. The assessed value of the city is \$4,801,850, of which \$3,543,650 is real and \$1,258,200 is personal.

The new budget exceeds the 1949 budget by \$28,804.97. Actual expenditures during the last fiscal year, however, over-ran the budget by \$9,420.78.

The various budgetary appropriations follow:

General	\$33,195.00
Sewer	11,773.90
Street	47,400.00
Street lighting	16,750.00
Police	18,070.00
Recreation	5,700.00
Fire	30,025.00
Park	1,000.00
Health	8,575.00
Engineering	3,635.00
Bond	8,500.00
Interest	611.25

A public hearing on the new budget will be announced later, it was indicated. It also was indicated following the council session that some minor adjustments would be made in some items in the various departmental figures, particularly the general fund. These adjustments will not affect the budget total, however, the city manager reported.

## Parole Official Addresses Lions Club Here Tuesday

The protection of the public is the paramount duty of the probation and parole official, according to John Elmqvist, of Sault Ste. Marie, state parole and probation officer for the eastern end of the upper peninsula. Elmqvist spoke at the Lions meeting here Tuesday evening.

Such an officer, the speaker said, must be guided by the principle that the safety of the public comes first, and he should "be able to spot those going sour" before a criminal on probation or parole commits another anti-social act.

Elmqvist described his work as probation and parole officer and explained the legal procedures which take place before he is called upon to make an investigation. He told in particular about his work in making pre-sentence investigations of men who plead guilty or are convicted by jury trial.

Such an investigation, he said, is very thorough and goes into a man's background as far back as his childhood, his family life, his normal habits, and any other matters in his life, which might explain his current behavior. After the investigation is finished, the data is carefully evaluated, and the parole and probation officer then makes his recommendation to the circuit judge before sentence is passed.

The criminal often is placed on probation as a result of this investigation, he said, and he cited two recent cases in Schoolcraft county where young men were placed on probation because the pre-sentence investigation indicated that this was the wisest method.

Another value of the pre-sentence investigation, the speaker explained, is that it often brings to light facts which make a prison sentence the only wise alternative. This is sometimes the case with itinerants where the pre-sentence investigation reveals a previous criminal record.

The probation and parole officer makes a sincere effort to "straighten out" the thinking of a person placed on probation, and the speaker described the various techniques used. Primarily, he said, we try to determine the man's problem and to help solve it. If the man proves unworthy of probation and the officer feels that he may commit another anti-social act, the court is asked to invoke the suspended sentence and send the man to prison.

Control of the parolee, the man released from prison for good behavior, is far more rigid than over the probationer, he said, and his freedom of action is circumscribed to a greater degree.

Final authority over the parolee is lodged with the state parole board, and over the probationer with the circuit judge.

The speaker concluded his message by pointing to the economies provided by a competent probation and parole system, and said that as long as the protection of the public is made the guiding principle, the system was a great public benefit.

## Charges Against Floyd Sample Given Hearing

A removal hearing, ordered by Governor G. Mennen Williams to pass on certain irregularities charged against Floyd Sample, Thompson supervisor, was held Wednesday at the office of William J. Sheahan, county prosecutor.

A citizen's committee from Thompson had issued a petition charging Sample with conducting a number of affairs of the township in a manner contrary to law and the hearing was held in order to delve into the matter. A transcript of the testimony will be sent to the governor so that he may pass judgment.

The hearing was presided over by Probate Judge Roy Durham, of Iron Mountain with Elven Parsons, chief assistant attorney general, conducting the investigation. Sample was represented by J. C. McGonagle, Gladstone attorney.

Parsons announced at the outset of the hearing that it did not cover William J. Sheahan, also named in the case by the petitioners. "All matters relating to him may be considered as disregarded," he said. Concerning John Saffran, attorney representing the Thompson Better Government League, Parsons stated that he would appreciate Saffran's assistance in the matter, but Saffran would have no official place in the hearing.

This statement concerning Saffran came after the Manistique attorney had objected to the "manner" in which the hearing was being conducted.

**Sample Testifies**

Floyd Sample was the principal witness and testified concerning certain acts listed against him and other members of the board in the complaint.

Most prominent among these

acts was his appointment and service as liquor inspector of Thompson township at a salary of \$1,360 per year. Sample stated that the proceedings were entirely regular. He explained that when liquor laws are enforced locally, 80 per cent of the license fee money would be returned to the township, without liquor inspectors on the job, revenue would not be returned. He stated that he had performed his duties, made regular visits to the six liquor vending establishments in the township and made regular reports to the state liquor commission.

**Picnic Expenditures**

Concerning a \$75 item for a township picnic, he said that the amount had been paid to cover incidental expenses for the picnic. The picnic, he said, was staged for the advancement of the community. Men prominent in conservation and agriculture were present and participated in the program. The check, he said, was made out to cash to cover necessary expenditures. Lloyd Fra-fale, he said, was also on the plans committee. This bill had drawn criticism largely because it had not been itemized.

Concerning a criticized item of \$30 for flowers, Sample stated that the township board had voted to provide flowers for funerals of residents of 20 or more years standing.

**Town Hall Repairs**

Asked concerning repairs on the town hall amounting to \$2,590, when an appropriation of \$1,200 had been made, Sample stated that Howard Marlow had been hired to do the work. The board members, he said, were aware that the building expenses would be greater than this but they made the appropriation as a starter knowing that there were sufficient funds in the township treasury to take care of added expenses. This added work, involving added expense, he said, was ordered with full consent of the board.

**Auditor Testifies**

E. J. Robinson, a member of the auditor general's staff, who had previously made an audit of the township affairs, was present and called to the stand. He stated that he found, in a subsequent audit, that the affairs of the township were in good order and "almost in harmony" with the annual reports.

Asked if he found any evidence of irregularities, he replied in the negative. He criticized the manner in which some of the minutes were kept in that in some instances, they were not signed; and the presence of members of the board not listed. He said he had recommended a change in this and in the manner some of the transactions of the board had been made, and these had been complied with.

**Saffran Issues Statement**

The Rev. John Saffran, who was retained as attorney for residents of Thompson township responsible for the inquiry, issued a formal statement to the Daily Press which is as follows:

"My comment on the Sample hearing is very simple. The governor will not be able to remove Floyd Sample on the basis of the record made by the attorney general's office. We are not surprised in the light of former actions of the attorney general's office in this matter."

**ANCIENT APPLE**

References to the apple and its merits are contained in some of the most ancient writings. The Romans knew and cultivated 29 varieties at the beginning of the Christian era.

**FALSE TEETH**

That Loosen  
Need Not Embarrass

Many wearers of false teeth have suffered real embarrassment because their plate dropped, slipped or wobbled at just the wrong time. Do not live in fear of this happening to you. Just sprinkle a little FASTERE, the alkaline (non-acid) powder, on your plates. Holds false teeth more firmly, so they feel more comfortable. Does not sour. Checks "plate odor" (denture breath). Get FASTERE at any drug store.

## City Briefs

Mr. and Mrs. Lawrence Ham-beat have returned from Duluth where they visited their daughters, Helen and Jean. They also visited in Rice Lake, Wis., with another daughter, Sister Mary St. Philip.

## To Ask Funds For Memorial

### Plans Laid At Vet Group Meeting

At a well attended joint meeting of all veteran's organizations and the full Memorial committee held on Tuesday night at the V.F.W. hall, final plans were laid for the forthcoming memorial campaign.

The meeting was marked by the attendance of a large number of Gold Star mothers who whole heartedly supported the memorial project.

Representatives of radio station WDBC attended the meeting and made a number of tape recordings in conjunction with the memorial project. Sgt. Charles McQuay spoke on the origin, planning and purpose of the memorial fund raising campaign. Mrs. Ray Bee-ner spoke on behalf of Schoolcraft County's Gold Star mothers.

Following the meeting lunch was served after which individual district chairmen met with their respective workers for further detailed planning.

## Stock Transfers Are Disputed At Johnson Hearing

Continuation of testimony of Robert Michaels, of the Morrison accounting firm of Marquette consumed all of Wednesday's session in the Nels S. Johnson estate case now being tried in a special term of circuit court.

The testimony involved scores of transactions in which G. S. Johnson, defendant, is purported to have made in the course of the 16 years in which he was administrator of his father's estate.

The intention of the plaintiff's attorney in the testimony brought out showed a desire to establish evidence that G. S. Johnson acquired title to certain stocks and security. This acquisition of title is admitted by both sides but the plaintiff contends that title was not acquired properly. The defense contends that the transfers were made through legal purchase.

When all 18 electric generators intended for the Grand Coulee dam, in Washington state, are installed, their combined capacity will be about 2,000,000 kilowatts—or more than 3½ per cent of the total in the United States.

## Womens Golf And Bridge Club To Meet May 31

The Manistique Ladies Golf and Bridge club will hold their first meeting of the season on Wednesday, May 31 at 4 p. m.

The golfers will meet at the site of the new club house and the bridge players will meet at Arrowhead Inn. All those interested in joining are cordially invited to attend.

Dinner will be served at Arrowhead Inn after which a business meeting with election of officers will be held. Hostesses for the get-together will be Miss Josephine Busch, Mrs. O. F. Smits and Mrs. E. J. Thompson. Reservations should be made for the dinner by Tuesday by calling 314-J or 539-J.

## Manistique Lions Elect Delegates

Election of delegates and alternates to the Upper Peninsula convention in Iron Mountain and the International convention in Chicago took place at the regular meeting of the Manistique Lions club Tuesday evening at Denny's restaurant.

Renold Anderson and C. E. Leonard were named delegates to the Lions International convention, which opens on Sunday, July 16. Alternates selected were Vern Linderoth, Earl Cox, John Raffay and Edward Busch.

Delegates to the Upper Peninsula meeting, to be held June 11, 12 and 13, were elected as follows: Leonard Maultaupt, Alex Robertson, Dr. Merle Wehner and William Norton. The following four alternates were picked: Dr. C. R. Novak, John Raffay, Vern Linderoth and William Moreau.

E. E. Cookson, district governor, and Ronald Fiegel, cabinet secretary, also will attend the Iron Mountain convention. The district governor will also represent the 10th Lions district at the Chicago conclave.

C. E. Leonard is convention secretary and is making arrangements for reservations for delegates at the two meetings.

## Skinny men, women gain 5, 10, 15 lbs.

Get New Pep, Vim, Vigor

What a thrill! Body limbs fill out; ugly hollows fill up; neck no longer scrawny; body loses half-starved, sickly, "bean-pole" look. Thousands of girls, women, men, who never could eat before, just because blood lacked iron, are now proud of stouter, healthier-looking bodies. They think Oxtex. Contains iron you, too, may need to gain weight, enrich blood, improve appetite so food gives you more strength and nourishment; puts flesh on bone bones. Also contains supplementary amount of vitamin B1, calcium. Don't fear getting fat. Stop taking at any time if you are satisfied with increased weight, new pep and vigor. Costs little. Introductory size only 50c. Try famous Oxtex. Again! Tablets for new growth, new pep, TODAY.

At all drug stores everywhere — in Escanaba, at City Drug Store.

## River Teeming With Lamprey

### Menace To Fishing Worst In Years

The Manistique river is literally teeming with lamprey.

Presence of the parasites was first noted three or four days ago, but Wednesday morning, following the rain, parts of the river—especially below the upper dam—the water seemed boiling with them.

The water being shallow at that point the lamprey are easily discerned swimming about or clinging to the ledge at the bottom of the spillway.

Observers of this menace to the fishing industry state that this is by far the heaviest visitation in this river since their presence was first noted a few years ago.

Ninety-eight per cent of the land of Alaska still is free land.

## Relieve Red Raw Rough ITCHY IRRITATED SKIN

See how fast Resinol quiets itchy torment, soothes and relieves smarting raw irritation of eczema, chafing, rashes or externally-caused pimples. Aids skin to feel, look so much better. — and so soon! Today buy, try Resinol Ointment.

## Briefly Told

**Proclamation** — Mayor James Fyvie has proclaimed May 26, 27 and 28 as Poppy Days in Manistique, at which time poppies made by disabled war veterans will be sold by members of the American Legion, VFW and their auxiliaries.

**Legion Meeting** — A regular meeting of the American Legion will be held this evening at 8 in the Legion hall.

**Pythian Sisters** — Members of the Pythian Sisters will meet this evening at 8:30 at the home of Miss Effie Carrington, Walnut street. All members are urged to attend.

## Now She Shops "Cash and Carry"

**Without Painful Backache**

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions.

If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

# Chriske Allows Two Hits As Esky Trips Ishpeming In Baseball, 4-0

Young Jack Chriske grows stronger as the high school baseball season progresses.

Yesterday the Eskymo sophomore righthander pitched a masterful two-hitter to defeat Ishpeming, 4-0 for Escanaba's sixth victory in seven games. They have lost only to Iron Mountain.

Chriske faced only 23 batters in seven innings, struck out seven and issued no walks.

Not an Ishpeming runner reached second base. The only hits off of Chriske were singles through the infield.

Coach Jim Rouman's boys got only four hits off the offerings of two Ishpeming pitchers, Sharland and Sullivan but they combined them with eight walks to score their runs.

**Big Third Inning**  
Their big inning was the third. Buddy Webber walked and scored on Charlie Olson's double. Jim Nyquist singled Olson home and scored on a double steal after Duane Brown had walked.

The Eskymos added their fourth run in the seventh without a hit. Chriske, Tom Schwabach and Paul Baldwin walked and the former scored on a long fly ball to left field by Webber.

Sharland, Ishpeming's starting pitcher, struck out four and walked two while Sullivan struck out three and walked six.

Escanaba plays at Negaunee Monday.  
Line score:  
Escanaba . . . 000 300 1-4 4 1  
Ishpeming . . . 000 000 0-0 2 2  
Chriske and Nyquist.  
Sharland, Sullivan and Remie.

## LeMire, Hogan Blind Bogey Low

About fifty golfers took part in the Wednesday night surprise tournament at the Escanaba golf club last night.

Pro Dick Knop had lined up blind bogey on holes three, six and nine with Dr. Donald Lemire and Harry (Cooney) Hogan low with 14 strokes. Bob Kelly was high with 24.

In another surprise, each golfer took three shots at the No. 7 pin. Closest was W. H. Hildebrand, whose ball stopped four feet from the hole and second was Harry Belanger, seven feet, eleven inches away from it.

## Central League Teams Bunched

(By The Associated Press)  
The six clubs in the Central baseball league are making it a red-hot race with last-place Muskegon only 3½ games behind first place Flint.

Muskegon made a bid to get out of the cellar by edging the Charleston Senators 3-2 in the rain at Muskegon last night.

Flint posted a 9-4 victory over Dayton although the Oilers out-hit the Arrows, 14-10. The game at Flint also was interrupted by rain.

The Saginaw Bears scored a lone run in the last of the ninth to win a brilliant pitching duel 1-0 from the Grand Rapids Jets. Threatening weather at Saginaw held the crowd to 261 fans.

## Two Dead Heats In Detroit Meet

DETROIT—(AP)—A three-man dead heat in the two mile and a two-man dead heat in the mile run featured the University of Detroit-Central Michigan track meet here yesterday.

In the mile event Dick Frank and Ivan Davis, both of Central, finished even. In the two-mile a third Chippewa, Roy Posthumus, joined them in a three-man dead heat.

Detroit won the meet 76-55.

## Par For The Dodgers!

They Come Up With Another One For The Books

(By The Associated Press)  
Everything happens in Brooklyn! It's corny but it's true.

Remember the day three men wound up on third base? The fly balls that bounced off Babe Herman's head? The sparrow that flew out of Casey Stengel's hat?

The 1950 Dodgers last night added the novelty of a three-man race from third base to home plate that wound up an "interference" double play by the Chicago Cubs. Sound complicated? Well, it is.

Jackie Robinson was on third base and Gil Hodges on second in the eighth inning. Eddie Miksis hit a ball to third base. That set it up.

The third baseman threw to the plate and Catcher Mickey Owen chased Robinson back to third.

When Robby arrived he found Hodges also standing on the bag. Owen touched both men and the umpire ruled Hodges out.

Then Miksis headed for second base and Owen threw to Wayne Terwilliger. Although he had been ruled out, Hodges started for the plate in a three-man race with Robinson and Owen.

**Shoulder to Shoulder**  
Down the stretch they came virtually shoulder to shoulder. Robinson first, Hodges second and Owen third. But the finish was not official. An objection was lodged. The relay from Terwilliger was taken by first baseman Phil Cavarretta, protecting home plate. He tagged Robinson sliding across the rubber. Plate Umpire Art Gora ruled Robinson out because Hodges interfered.

The official scoring was a double play—third baseman Bob Ramazotti to Owen to Terwilliger to Cavarretta. Owen got the putout at third and Cavarretta the one at home.

Oh, yes, the score. Brooklyn won, 6-1, with rookie pitcher Dan Bankhead going the route for the first time. It was the Negro righthander's fourth straight victory, breaking a five-game win streak by the Cubs' Bob Rush. Duke Snider, George Shuba and Roy Campanella smashed homers off Rush, who hadn't thrown a gopher ball in all his previous games. Andy Parko ruined Bankhead's shutout with a homer.

Those Philadelphia Phils stuck right on the Dodgers' heels by blasting six runs in the eighth inning for a 6-3 edge over Pittsburgh. Dick Sisler's three-run homer off Murry Dickson started the big uprising.

**Spahn in Top Shape**  
Rookie Cloyd Boyer pitched fine relief ball for the St. Louis Cardinals after Lefty Max Lanier had to leave the game due to a pain in his shoulder. The Lanier-Boyer team shut out the New York Giants, 2-0, with four hits. Monte Kennedy pitched a five-hitter, but hits by Red Schoendienst and Stan Musial and a steal of home by Stan cost him the game.

Warren Spahn turned in his best effort of the season, a three-hitter for Boston against Cincinnati, 4-1. The Braves got to Ellw Blackwell for six hits and all four runs before he gave way to Frank Smith.

Rain washed out the "big game" in the American, the first of the New York Yankee-Detroit Tigers series, but the Boston Red Sox clung to an early lead to down the St. Louis Browns, 7-5, for Mel Parnell's fifth victory. Two triples by Al Zarilla and doubles by Walt Dropo, Billy Goodman and Ted Williams led the 10-hit attack.

Cene Bearden, the 1948 world series hero but a flop ever since, bounced back with a fine relief job for Cleveland against Washington. Replacing Early Wynn in the second, Bearden allowed only

four hits in 7½ innings for a 5-4 decision over Joe Haynes.  
The Chicago White Sox came from behind to topple Philadelphia, 10-7, with five runs in the eighth.

## Esky Tennis Team Noses Out Maroons

Coach Jim Buelow's Escanaba high school tennis team came through yesterday with a close 4-3 victory over a potent Menominee crew.

In the singles, Harold Cloutier of Escanaba defeated Delfosse, 6-1 and 6-3; Dick Danielson lost to Pelnar, 6-4 and 7-5; Jim Prokos fell before Muszynski, 6-4 and 7-5; Dick Wiles defeated Johnson, 6-2, 5-7 and 6-4 and Stanley Sarasin topped Smith, 7-5 and 6-1.

The two schools divided the doubles matches, Cloutier and Danielson defeating Smith and Pelnar, 8-6 and 6-3, and Prokos and Wiles losing to Johnson and Muszynski, 6-2 and 6-1.

## Sports Roundup

By HUGH FULLERTON, JR.  
NEW YORK — (AP) — Art "Dynamite" Mansfield, Wisconsin baseball coach, will have to look a long time before he finds a weekend as satisfactory as the one that just passed . . . Dynie's Badger baseballers dumped Michigan twice to tie for the Big Ten lead;

his oldest son, Bob, scored a touchdown and made a fine showing at fullback in the University's spring football game; Jackie, the second son, ran a 52.2 quarter for Madison West high to pace the state prep qualifiers and the youngest son, Billy, 15, pitched and won a three-hit ball game for the same school in a state district tournament . . . It is reported that Mrs. Mansfield is suffering from a split personality from trying to be in four places at once.

**Sports Before Your Eyes**  
Syracuse U. is helping to finance an addition to its football stadium with a three-year lease plan of selling tickets. Buyers are guaranteed the same seat for every game—and a cash saving of four bits on 50 bucks worth of pastboards . . . When the Baltimore Colts get first whack at the "undistributed" footballers from the defunct pro football clubs in the National football league draft next month, chances are they'll name Chet Nutryn from Buffalo, second-best ball carrier in the All America conference last season . . . The Harvard third-variety 150-pound crew has been tagged the "Nine Old Men" just because four of them are married.

## Still U. P. Booster

Frimodig, MSC Assistant Athletic Chief, Once Coached Escanaba

A former Escanaba high school coach who played in high school against the immortal George Gipp is one of the Upper Peninsula's biggest sports boosters—even though he has been a member of Michigan State college's athletic staff 31 years.

He is Lyman L. (Frim) Frimodig, assistant athletic director at the Spartan school.

Frim was especially happy at the last state high school basketball finals.

"I was pleased to see the Ishpeming and Brimley teams in the state championship and to see the fine Gladstone team play," said Frimodig.

"I knew they had the teams and felt they deserved a chance. And they proved themselves top basketball teams."

Although he left Escanaba high school in 1918, he has returned several times as referee of Escanaba and Iron Mountain track meets.

### Earned 18 Letters

Frimodig, a native of Calumet, earned 18 athletic awards in high school in five sports.

Frim participated in four years of football, basketball, baseball and hockey, and two years of track there.

He entered Michigan State college in 1913 and began a brilliant athletic career. He earned 10 varsity letters, four each in

basketball and baseball (freshmen could play in those days) and two in football. He was a center in football and basketball and played first base in baseball.

His introduction to Spartan sports was a fall afternoon in 1913

L.L. FRIMODIG

when State beat Michigan in football at Ann Arbor, 12-7. The following Saturday, he remembers, they did it again against Wisconsin at Madison. That team had the only undefeated and untied

year in Spartan football history. His biggest thrill was a night in 1917 when the basketball team beat the famous "Little-Giants" of Wabash, 20-19, in the old armory on the Michigan State Campus. He recalls being revived after collapsing when the game was over, but forgets to mention 12 points he scored from his pivot post which were chiefly responsible for the victory.

### Played Opposite "Foe"

In football, the best day was at Ann Arbor in 1915 when State blanketed the University, 24-0. In that game, he played opposite Wolverine captain and his former rival from Houghton—"Bill" Cochran.

Frim was graduated from M.S.C. in 1917. His first job was coach and principal of the Escanaba high school where he stayed until he entered service in 1918. He came here as a coach but was named principal after the previous one left.

Jim Crowley's wife, the former Helen Cleary, was a senior at Escanaba when he taught there. "Some of my closest friends are up there despite my short stay," Frim says.

Upon leaving the service, he went back to M.S.C. as associate professor and assistant director of athletics. He now is Professor and assistant director of athletics and business manager of athletics.

## Rolfe Welcomes Rest

DETROIT—(AP)—Detroit Tiger Manager Red Rolfe was not too unhappy yesterday when the rain washed out the first game of a scheduled two game series with the power-packed New York Yankees.

"Our pitching staff is not at top efficiency right now and that extra day of rest should help some of the boys along, even though it means a doubleheader later this season," he explained.

Chief loser by the postponement was Paul (Dizzy) Trout, who would have been in line for his first starting assignment in two seasons this weekend.

But the postponement meant that Rolfe could juggle his pitching staff around a bit. Art Houtteman, who was to have gone yesterday, was still the Tiger mound choice today with the assignment of stopping the Yankees' seven-game winning streak.

Tommy Byrne, who has become a big bad man as far as the Tiger hitters were concerned, was due to face them in the windup of the abbreviated series. He holds one victory over them this season and

has a 9-2 lifetime record against them.

Most of the Tigers and Yankees spent a pleasant evening together last night as a prelude to resumption of their scramble for top honors in the American league race.

The occasion was the first annual Babe Ruth Memorial dinner here with 200 sports enthusiasts and athletes paying \$100 a plate. Proceeds went to the cancer fund.

Former Tiger star Harry Heilmann was toastmaster, with the galaxy of guests including Rolfe, Bo McMillan, Charlie Gehringer and Mrs. Clare Ruth, widow of the Babe.

The Tigers and Yankees had a great time chatting and breaking bread together as they listened to speakers recount numerous anecdotes in Ruth's career.

### DEFEATS WAYNE

DETROIT — (AP) — Michigan State college won a 5-0 tennis victory over Wayne university yesterday. MSC swept the singles in handing Wayne its eighth loss against four wins.

## St. Andrews Fans Drooling

Virginia Lawmaker Meets Irishman

ST. ANDREWS, Scotland—(AP)—The battle of "giant killers"—1949 and 1950 versions—featured fifth round activities today in the British amateur golf championship.

Bill Campbell, the larpurping legislator from Huntingdon, West Va., met Irishman Sam McCready defending champion, in the match that had the golf faithful of old St. Andrews drooling.

The tall, smooth-swinging Campbell electrified this historic old tournament by brushing aside the heavily favored little wedge master from Elmsford, N. Y., Willie Turnesa, yesterday, 3 and 1.

Fans immediately labelled him a joint title favorite with muscle man Frank Stranahan, who is still running strong.

The match with McCready was

## Escanaba Bears Play Rapid River Tonight

## Draws \$100 Daily; Dick Seeks More

DETROIT —(AP)—Dick Wakefield says he may go to court to collect the \$1,900 he contends the New York Yankees owe him for the time he was sitting out a suspension.

"I'm going to get it even if it means legal action," the outfielder said.

George Weiss, general manager of the Yankees, refuses to discuss any negotiations regarding the former Detroit bonus baby who is now drawing \$100 a day for doing nothing.

The Yankees announced recently Wakefield would be disposed of and would never wear a Yankee uniform.

Wakefield said he'd like to know what steps the Yanks are taking in this direction.

"I don't think they've even put me on the waiver list," he declared, asking, "Why?"

He insisted he wouldn't return to the minors. He said he'd rather stay in the American league than play in the National.

## Packers Sign MSC Fullback

GREEN BAY, Wis.—(AP)—The Green Bay Packers today signed their third rookie fullback, Frank (Muddy) Waters of Michigan State college.

Waters, a 205-pounder, averaged 6.6 yards in 43 carries for the Spartans last year. His home is in East Lansing.

The one that should tell. The laughing tobacco salesman from Ireland, surprise winner of 1949, continued to defy the 20-1 odds quoted against him at the tournament's start.

He won two matches yesterday also to lead the field into the round of 32.

Two more 18-hole matches today were to reduce the tournament to the quarter-finals.

America's challenge continued strong with six players still "alive."

Besides Campbell and Stranahan, they were Dick Chapman of Pinehurst, N. C.; Jim McHale of Philadelphia; Ed Gravely of Rocky Mount, N. C.; and Dynamite Bill Goodloe of Valdosta, Ga.

**BULLETIN!**  
The game between the Escanaba Bears and Rapid River scheduled tonight has been called off because of rain and wet grounds.

Weather permitting, of course, the Escanaba Bears will play their first twilight game of the season tonight.

It will be at Rapid River against the Bay de Noc league team.

Rapid River probably will call on its veteran speed ball artist, Newt Wright, to start against Escanaba's Rainbow league entry.

Fr. Louis Cappel and Johnny Schwalbach, who direct the Bears, will start the veteran Jack Beck against Rapid River, which won its opening game of the season against Rock by an 11-1 score.

Beck is scheduled to start the Bears' first home league game Sunday against Trenary and will use the Rapid River game as a test of his arm.

Joe Rademacher, who defeated Gladstone, will finish the game.

## Millers Capture Fifth In Row

(By The Associated Press)  
Minneapolis notched its fifth straight American association victory in routing Louisville 10-2, last night. The second place Millers gained one full game on league leading Indianapolis.

Indianapolis, ahead by four games, lost its second game in a row to St. Paul, 7-2. The victory sent St. Paul into a tie for third place with idle Columbus.

Cellar-dwelling Toledo came up for air in shading seventh-place Kansas City, 2-1. Bill Barnacle's fourth inning home run made the difference.

Frank Shea, the ex-New York hurler, gave up only three hits for Kansas City but he was struck on the right wrist by a line drive in the fourth and had to leave the game. He'll be out about 10 days.

## Golfer Asks \$103,000 For Beating By Pair

LOS ANGELES—(AP)—A father and son knocked over golfer Lloyd Mangrum and beat him while he was down, Mangrum charges in a \$103,000 damage suit.

The incident occurred after a minor traffic accident last November, rendering him unable to earn a living at golf for months, Mangrum's complaint alleges.

He named his neighbors, E. J. Turner, contractor, and his son, E. J. Turner, Jr., as assailants.

# Longer Mound Distance Hurts Softball Hurlers

The new longer pitching distance is raising havoc with Escanaba softball hurlers.

In games last night, NuWays defeated Merchants, 21 to 15; Steam Laundry walloped Kiwanis, 21 to 2, and Hughes Motors defeated Liberty Loans, 10 to 7.

Warren Lee got five for six to head the Laundry crew, who scored from two to six runs in every inning on 19 hits off of Beaudin. Benard and Cousineau pitched for the winners.

NuWays, behind Ebli and Cavades, banged out 18 hits off Carlson of the Merchants, who got only eight. Plenty of errors figured in the scoring.

The young Hughes Motors team pulled a surprise by defeating the veteran Liberty Loans behind sixth pitching of Courneine and Adams. Catcher Kenny Beaudoin got three for four. Kositzke and Eis hurled for the losers, allowing 10 hits.

## Spilling The Dope

By Charlie Larson

Louie Hoyler comes up with a good sports yarn.

It seems that years ago, two young fellows were picked up near Norway by the sheriff for breaking those green glass insulators on telegraph poles. They had been using them as targets for rocks.

Taken before a justice, the two youths trembled as the sheriff demanded that they be punished severely for their crime.

The justice, feeling that they were "just boys", took them aside and asked them what they were doing.

They said they were lower Michigan college athletes and had come to the upper Peninsula in hopes of hooking on as baseball players with Iron Mountain, Norway, Vulcan or some other Range team.

They hadn't been able to make connections, though. So they were walking the rails and keeping in practice by pitching stones at the glass insulators.

The justice liked the frankness of the boys and, after dismissing the sheriff, told the boys to slip out the side door and sin no more.

So, according to Louie, they highballed it from the range.

Years later, so the story goes, the justice, Richard C. Flannigan, got a call from the governor's office in Lansing.

"This is the Governor talking," said the voice.

"Would you accept appointment to the circuit bench in your district?"

Then the governor added:

"Years ago, two boys were brought before you for breaking glass insulators with stones. You let them go with a lecture when the sheriff wanted them put in jail."

"I was one of those two boys."

The word "saint" originally applied to all believers in Christianity, according to the Encyclopedia Britannica.

## 'Stique To Have Softball Loop

Thor Reque Heads Directors

MANISTIQUE—A six or eight-team softball league will start play in Manistique the second week-end in June.

Managers and representatives of softball teams met at the city hall Wednesday evening to organize the League for the summer.

Entries have been made for the Lundstrom Chevrolet, managed by Chuck Lundstrom; Paper Mill, by Jules Rivard; Old Timers, by John Matthews; V.F.W., by Everett Anderson; American Legion, by P. K. Tutnel; National Guard, by Leo Demers, and possibly the former Fords, by Jack Creighton. There is still room for another entry to balance the schedule.

Directors headed by Thor Reque, chairman, are Alex Creighton, Leo Demers, Jules Rivard, Dick Berger was re-elected treasurer.

A \$10 entry fee is payable to the treasurer previous to opening night. Practice sessions will be held nightly at the Court House grounds this week and next.

A detailed schedule will be published later.

## Michigan Normal Favored To Win

BLOOMINGTON, Ill. — (AP) — Athletes from seven colleges will compete tomorrow and Saturday in the 31st annual IAC track and field championships at Illinois State Normal university.

Michigan Normal of Ypsilanti, a new conference member with Central Michigan of Mt. Pleasant, is favored to win the meet. Five Illinois schools also will compete.

Three Michigan Normal stars—Hurdler Norb Badar, shot-put ace Jack Weiss and dash man—broad jumper Garion Campbell—are rated top choices to smash meet records in their specialties.

Benedict Arnold sought to betray the fortress of West Point to the British during the American Revolutionary war.

Tom Bolger  
Manager

## Dr. Nils Olsson Goes To Iceland

Dr. Nils William Olsson, Chicago, many times a visitor to Gladstone, recently received an appointment as "Cultural Attache" of the American legation at Reykjavik, Iceland.

He has been given a leave of absence from his post on the faculty of the University of Chicago and is now in Washington for a six-week period of briefing. After his return to Chicago he will leave with his family for his new post. The present appointment is for a 2-year period.

Dr. Olsson recently was a guest of A. Theodore Scholberg, city, at the time he delivered his lecture on "A Scandinavian Summer" at Escanaba high school.

The occasion of his prior visit was in connection with the Swedish Pioneer Centennial as he was the official conductor of the tour of HRH Prince Bertil and the Swedish delegation. During the war he was Naval Attache assigned to the American legation at Stockholm.

## Invite Pastor To Return Here

Methodists Hold 4th Quarterly Meet

The Rev. Glen Kjellberg was extended a unanimous invitation to return as pastor of Memorial Methodist church at the Fourth Quarterly conference held Wednesday at the church.

The Rev. John Meredith, Marquette, district superintendent, presided.

Election of officers and committees for the fiscal year also marked the conference.

Trustees: H. T. Brewer, Wallace Cameron, Donald Grenfell, William Marble, Herbert Smith, Fred Siebert.

## Police Investigate Collision Of Autos

Autos driven by Walter Larson, Route 1, Escanaba, and Joseph Harris, Phoenix, Ariz., collided at Rapid River Tuesday about 5 o'clock when Larson made a turn in front of Harris as they met at the Rapid River main street.

Harris was traveling east on US-2 and Larson westward. The latter crossed in front of Harris in an effort to turn down the Rapid River main street.

Larson's car was badly damaged. In addition Larson got tickets for making an improper left hand turn and also for driving without an operator's license.

Deputy LaBumbard and Michigan State Police investigated the accident.

## War Dead To Be Honored

Legion Post Arranges Memorial Tribute

All details of the Memorial Day service to be held here Tuesday under auspices of August Mattson Post American Legion, have been completed, according to Post Commander Norman Knutsen.

General chairman of the event is O'Neil D'Amour.

The memorial service as usual will be at the Legion burial plot in Fernwood cemetery.

There will be a flag-raising ceremony, while the Star Spangled Banner is played by the high school band, an invocation by the Rev. Oscar Leander, a selection by the high school chorus, an oration by a high school student, an address by Rev. Leander, a selection by the band, a salute to the dead by a firing squad led by Sylvester Schram and sounding of Taps.

The usual downtown parade will precede the service.

## Golf Club Plans Weekend Party

Another weekend party is to be held at the Gladstone Golf club for members and friends Saturday evening, it was announced yesterday.

There will be social diversions including cards and a buffet lunch is to be served.

Miss Jean Miller is chairman of the committee in charge and is being assisted by the Mmes. Walter Tang, B. H. Skellenger and Edward Esler.

## Social

Bridge Club  
Mrs. Howard Sunblad was hostess to the members of her bridge club on Tuesday evening at her home, 1411 Michigan avenue, Mrs. Vincent Wilbee received first honors and Mrs. James Damitz, second.

A delicious lunch was served at the close of play.

## Bowling Dinner To Draw Many

League, Tournament Awards To Be Made

Approximately 150 men are expected to attend the annual Bowling Banquet to be held at the Midway Monday evening.

League officers for next season will be named and awards made to the winners of this year's league and tournament bowling.

In the American league the Midway team was the winner. Topping the Major loop were the Ray-L's while the Holy Name league winner was the Wolverines. Marble Arms took National league honors while the Wells Crate headed the parade in the Delta league.

Tournament winners to whom awards will be made include the five-man team of Morgans, the doubles team composed of James Damitz and Howard Sundblad and the singles winner Francis Smith of Flat Rock.

## Kenneth Ames At Masonic Conference

Kenneth Ames, Worshipful Master of Gladstone Lodge No. 396, F. & A. M., attended the state Masonic convention at Grand Rapids Tuesday and Wednesday. He was accompanied to Grand Rapids by his wife and his mother Mrs. Burt Ames. Before returning to Gladstone they will visit at Detroit and Chicago where they will witness several big league baseball games.

## More Use Of Birch Rod Might Help Young Punks

By ROBERT C. RUARK

I learned to shoot crap in Sunday school, which is neither a commentary on my lack of morality nor the efficiency of the Sunday school system. I got mad at the other kids and fought in the schoolyard and did most of the things kids do, generally against the teachings of my parents and God.

RUARK

But so help me, I never ran around with a loaded gun in my pocket, lurking in dark corners to scrag a playmate for fun, or is a thing I do not understand about today. You see the sullen punks loafing on the corners and pushing strangers off the sidewalks, and you read about the callous murders committed by the young against the young, and it makes no sense.

I have been young, and poor, and confused, but at no time did an unbearable yen to run amok with a gat ever steal into the consideration. I have also been old, and poor, and confused, too, but shooting folks for fun never entered into the age, the poverty or the confusion.

My home town has roughly resembled a Warner Bros. approximation of Capone's Chicago lately, except the villains have been well-dressed handsome kids of teenage, killing each other casually for no real material or spiritual reason, unless you could say that they are bored with not killing each other.

**Studied Sociology**  
A highly handsome kid named James Fortunato recently got killed, for fun by 16-year-old Tony Scarpati, police say, in a gang-battle that involved 30-odd members of two teen-aged gangs and evidently shamed Tarawa for naked violence. One gathers the strife was committed over a femme fatale who was easily 15 years old.

We have had the school riots, and not so far back a couple guys shot a couple other guys in Brooklyn for no reason, except that it was spring and the smell of gunpowder was in the air.

Don't gimme that sociology can about the underprivileged and heredity and environment and the slums and stuff. I got a degree in sociology, and it never made me a buck. I have also stolen, lied, lived, in squalor, fought over girls, drunk whiskey, hungered, thirsted and slept in parks. But I never packed no gat to shoot people for kicks. For entertainment.

**Billy Rose Case**  
Billy Rose is born in a slum of the poorest kind of people and makes a million dollars writing songs, committing shorthand, working for B. M. Baruch, staging shows and doing a column. Shot nobody. Al Smith was born in a slum and did fine. All kinds of people get born in slums and do not feel that it is necessary to stroll about gunning up the neighborhood for relaxation. Joe DiMaggio ran around with hoodlums all his early life and has murdered nobody, to date, except pitchers. Keep the sociology.

You cannot say today that an economic urge can turn a guy killer, because the lineup on the young hoodlums shows them all well-dressed. Jobs are easy come by, and if you can't get the job you can swindle the relief, which will let you live pretty easy. Killing for fun has no economic basis. You might possibly argue that it is permissible for a nut to whip out a knife or a gun and deplete

his frustration on a neighborhood, but 30 young kids carving and shooting each other for laughs makes no sense. They could not, statistically, all be psychoneurotic beyond the pale of average juvenile foolishness.

I got just one small hunch that too much rod has been spared, lately, and too many children spoiled. I once reformed a handsome example of Hitlerian ideology name of Klaus Schmidt, locale North Africa, by stroking his cheek with the flat side of a Colt .45. Sergeant Schmidt was as tame as cream in a day, with the Nazi indoctrination all gone.

I am wondering, now, if the application of a little more birch to backside, during the formative years, wouldn't lessen the number of rapes and killings tomorrow.

Poverty is no crime; being born of foreign parents in a big city is no actual drawback, and baseball is still a better game than murder.

### Hermansville

Celebrates Birthday

HERMANSVILLE—Ann Louise Fish, daughter of Mr. and Mrs. Edward Fish, entertained her playmates in honor of her fifth birthday. Table decorations were in pink and blue with a white cake decorated in pink and blue. Guests included Ellen Lungershausen, Robert and Glenda Lempert, Sandra Fabry, Billie Polazzo, Janice Stockero, Josephine St. Juliana, George Caliano, Delores Sartori and Marilee Dani. She received many nice gifts.

### Personals

Charles Plaster of Lansing was a recent visitor at the home of Mr. and Mrs. John St. Juliana.

Mr. and Mrs. Louis Marana and daughter of Menominee spent Sunday at the home of Mr. and Mrs. Guerino Marana.

Mr. and Mrs. Jack Denis and Mr. and Mrs. Napoleon Fish of Iron Mountain and Edward Fish have returned from Wayne after attending the wedding of Miss Gloria Fish, a former resident of Hermansville.

Now a director of various enterprises, this former heavy-weight boxing champion started his ring career in the AEF in 1918. He won Jack Dempsey's crown in 1926 at Philadelphia.

### Robert Raymond Qualifies For Naval Reserve

Robert Francis Raymond of 215 High street, West Chicago, has been named by the Bureau of Navy Personnel as one of the 1,800 successful candidates for Naval Reserve Officer training course.

Robert is a son of Mr. and Mrs. Robert C. Raymond, West Chicago, who are former residents of Escanaba, and he is a grandson of Mr. and Mrs. Claude Raymond of 901 First avenue north, Escanaba, and of Mr. and Mrs. Anton Globie of Gladstone.

He will enter the University of Notre Dame in September.

There are nine persons to every automobile in the District of Columbia.

### Lundberg To Head Electrical Dept. At Delta Hardware

Stanley K. Lundberg of Chicago began his new duties on Tuesday as head of the electrical department of the Delta Hardware company.

Mr. Lundberg attended Tilden Tech high school in Chicago and Northwestern university. He served in the U. S. Army during World War II for three and a half years, including about two years in the European Theatre of Operations.

Before coming to Escanaba, he was employed with the Conlin-Moore corporation and the Kellogg Switchboard & Supply company of Chicago.

### Schaffer

Summer Mass Schedule

SCHAFER—Sunday masses at Sacred Heart church will be at 8 and 10 beginning May 28. Father Joseph Beauchene has announced. The procession and crowning of the Blessed Virgin will be held

following the 10 o'clock mass this Sunday. Velma Meyers has been chosen queen.

Garage Reopens

The Frank Moraski garage, demolished in the recent wind storm resumed operations this week.

Personals

Joey LaVigne has returned

home from St. Francis hospital. Miss Mary Meyers and Mrs. Wesley Palmgren arrived Sunday evening from Chicago to spend a week with their parents, Mr. and Mrs. Ed Meyers.

Maine is nearly as large as the other five New England states combined.

New Hearing Granted Ex-Houghton Teacher Ordered Deported

WASHINGTON — (AP) — The board of immigration appeals announced a new hearing has been granted Edward V. Sittler, former Michigan college teacher who had been ordered deported.

The effect of the ruling will be to start all over again deportation proceedings against Sittler. He worked for the Nazi radio propaganda organization in the last war.

The board directed the new hearing to be held quickly. An immigration service spokesman said the Detroit office of the service would set the time and place.

The ruling was based, the board said, on a supreme court decision last February that the immigration service had not followed the proper administrative procedure in conducting deportation hearings.

The high court held that the immigration service must stop its practice of permitting examiners who reside at deportation hearing also to have duties as prosecutors and investigators.

The decision was in a case brought by a Chinese alien. It affected thousands of other pending deportations including Sittler's.

Sittler, a native of Ohio, went to Germany in 1939, became a citizen there and joined the Nazi party.

He was captured by the allies at the end of the war and brought to this country in 1946 to testify in treason trials against various Americans.

Meanwhile, he obtained teaching jobs, first at Northwestern university in Evanston, Ill., and

later at the Michigan College of Mining and Technology at Houghton, Mich. He was dismissed from the latter post last year.

Last fall, the justice department said it no longer needed Sittler and notified the immigration service to send him back to Germany.

The teacher then applied for a suspension of deportation. A hearing was held on the application at Houghton. The examiner recommended that the application be denied. On Feb. 14 this year the service ordered Sittler deported.

However, he took the case to the appeals board which heard arguments April 6.

Congressmen interested in the case were told by appeals board officials that they attempted unsuccessfully to persuade Sittler to leave this country voluntarily with his family. After these efforts failed, the new hearing was granted.

Paw Paw Basket Factory Burns Up

PAW PAW, Mich.—(AP)—Fire of undetermined origin destroyed the basket factory of the Fruit Growers Package Co. here.

District State Fire Marshal Walter Burns estimated the loss at from \$175,000 to \$200,000. The factory employed 50 persons.

The fire apparently started back of the time clock, roaring quickly through the building jammed with crates and baskets ready for shipment in the upcoming fruit season.

Pine Ridge PTA Final Meeting Held At School

PINE RIDGE—The Pine Ridge Parent-Teacher association held its final meeting for the year Thursday evening at the school. Officers were presented for installation by Mrs. Leonard Winling Sr. They are Mrs. Louis Schaut, president; Mrs. Charles Sedenquist, vice president; Mrs. Jon Thorin, secretary; Mrs. Robert Rouse, acting treasurer.

A Mother Goose safety program, under the direction of Mrs. Edith Rosenquist was presented by the children. Guest speakers were Sheriff William Miron and Chief of Police Michael Ettenhofer, who gave a very interesting talk on safety. Safety Guide pamphlets were distributed to the parents and children.

## THE WHOLE STORY ABOUT HALF HAMS

A&P's "Super Right" Half Hams Have No Center Slices Removed...You Get Full Value!

Here's How A&P Sells Hams Weighing Less Than 14 Lbs.

We say a HALF HAM means a ham CUT IN TWO, with no center slices taken out. That's just what you get at A&P. And that's something to remember when you compare half-ham prices.

And Here's How A&P Sells Hams Weighing 14 to 18 Pounds

We cut 14 to 18 pound hams so that average families can take advantage of the extra values offered. (See picture below.) A&P does not handle hams weighing over 20 pounds, because the meat is apt to be coarse and tough.
